4. Java with Juli - a fresh, relevant, and conversational podcast wrestling with questions about relation-ships and sexuality. It is NOT your traditional Christian podcast! No topics or questions are too challenging or risky to discuss. Nothing is taboo, but all is biblically-based and God-honoring. If you tune in, you'll find that we openly chat about things many women wonder but don't know where, or who, to go to for honest answers. We embrace a casual & multi-generational feel that has listeners imagining that they're also "at the table."
