Tuition charges are by the year. If tuition is paid in full by August 1st, the family will receive a 3% discount. If not paid in full, 10 monthly payments may be made, with the first payment due ***August 1st***, or at the time of enrollment if it is after August 1st. ***Tuition payments are then due the first of each month through May.***

Tuition payments received after the first of each month are late. A late charge of $35.00 per family will be assessed if payment is not made by the 10th of each month.

If a student is withdrawn during the year, *the tuition obligation runs through the end of that quarter.*

THIS IS A FINANCIAL CONTRACT – ***Read carefully and sign. Keep a copy for your records.***
Based on the above information, I realize that my registration, technology fee and curriculum and materials fees are not refundable, and that the monthly tuition payments for my child are due on the first of every month, starting August 1st. I also realize if I withdraw my child from school during the year, I will be obligated to pay the remainder of the quarter's tuition.

After May 31st, if I withdraw my student, I understand I will be obligated to pay the 1st month of tuition and if I withdraw my student after July 31st, I will be obligated to pay the first quarter of tuition. Initial here: _____
