PARKING TEAM

How often will you serve?

We ask that you commit to a minimum of 1 Sunday service (either 9:00 or 10:45 am) 2 times a month. There will be other irregular opportunities to serve at events throughout the year (think Easter and Christmas).

Who is a good fit?

- People who have the spiritual gifts of Hospitality and Helps!

VISION

- Weekly or one-off events, our Parking team volunteers greet people in their cars to help welcome guests to church even before they set foot in our building. They may also help direct traffic, change a flat tire, or jump a dead battery.

What might you do?

- Greet guests in their cars to help prepare their spirit for worship.
- Notice tires low on air, lights that are left on, jump start a dead battery.
- Be the first to notice and perhaps care for a guest that seems “off.”
- Maybe you’ll want to wash really dirty windows or leave random notes of encouragement on car windows.

What are your next steps?

- This is a new ministry. After expressing interest, we’ll touch base to discuss your availability and your ideas about what this ministry can grow to be.
