SUPPORTER UPDATE

"Equipping Christians For Service"

July 2021

From the Director

The month of July came in quickly and has not slowed down. Instructors have been busy teaching their courses, with them coming to a close the first week of August. Television programs have continued to air. Bible Correspondence Courses are steadily coming in and going out. The Tuesday night online show Have a Bible Question Live only missed one week due to my being out of town preaching a Gospel Meeting at the Maple Hill Church of Christ outside Benton, KY.

Several months ago, we started the process of building a new website. This change was necessitated due to Adobe no longer supporting the Muse software we were using. The transition has been an enormous undertaking, but we were able to launch the new site on July 15th in time for Fall registration to begin. All of our sites nwfsbs.org, nwfsbs.com, haveabiblequestion.com, haveabiblequestion.org, and cocmilestone.com, all work to point to one location.

Part of the new website is a page for congregations to submit vacant positions. We have for some time now received this information but did not have a good way of disseminating the information. The listing does not mean we endorse the congregation, but it allows preachers to evaluate and determine if the work would be the right opportunity for them to preach God's word. It can be found at nwfsbs.com/preacher-wanted. We have more changes and updates to the site that will be made as time allows.

We are happy to announce that Have a Bible Question will begin airing in Lansing, Michigan, and Macon, Georgia, starting the first Sunday in August. We continue to receive a great response from the program. Every week we are having multiple people sign-up for Bible Correspondence Courses. Several of these have led to personal contacts being made. It is with great joy that I write that 39th Avenue Church of Christ in Gainesville, FL, baptized a young man that contacted us after viewing the program. He had been in touch with GBN as well, and we were able to put him in contact with the good brethren at 39th Avenue.

Registration has begun for the Fall Semester, and our response so far has been great! I am enclosing a schedule for your convenience and encourage you to consider taking a class and encouraging others to do likewise. These classes are an excellent opportunity to study God's word and grow in your walk with God.

I want to say "thank you" for the financial support that you give to NWFSBS. Your generosity and sacrifice make a tremendous difference in our efforts to teach God's word. Without the financial support of individuals and congregations, we simply would have to "shutter the doors and windows" of this work. Again, thank you for all you do. Please remember us in your prayers.

-Guyton E. Montgomery
