Dearest Praying Brethren and Friends,

It is a joy to be in touch with you again by means of this letter. As always, there has been a lot going on. It has been raining providing us with greenery and butterflies flying around. We are glad that the elections are over. Although most of the country voted more to the center and left, the mayor elected in Valledupar is more to the right. The economy has gotten worse with even more Venezuelans here and unemployment now exceeding 15 percent. Please help us pray for the new mayor.

Things At Church

We asked you to pray for a young married lady in our last letter that accepted the Lord. Although she works out of town, she has attended when she can and has started discipleship study with Martha. Also, another lady who has been unable to attend regularly (Natalia) who had come to Church with her mom and dad. Her mom accepted the Lord. There are two people named María that have started discipleship, one with Sister Nini and another with Martha. One is a babysitter and the other is an older lady.

A young man (Emanuel) came to the Church and has visited a couple of times. He had left a charismatic church. He says that he feels called to preach. Bro. Simeon continues personal studies with me and is doing very well teaching Sunday School. Please pray that I will be able to teach him more as he continues to prepare and study.

Other Prayers For The Work Here

One lady fell in the shower and hurt her back. She has been unable to come back to Church. Please help us pray that the Lord work in her life. Please pray for Bro. José who is still dealing with problems of the past caused by something like a post-traumatic stress disorder. It affects his blood pressure and he has a hard time forgiving what he and his family went through.

Being Thankful

Despite the economy, and the unstable situation with so many coming and going, we are encouraged by the progress in what has been a difficult year. We continue to see visitors and the growth of the faithful.

Giving Thanks & Asking Prayer For Family

We had to spend quite a few days without the car. The ABS system went out and was quite a costly repair. The chiropractor helping Martha left Colombia due to personal reasons and we do not know if he will continue to work here. Timothy fell and cut his forehead and had to receive six stitches. The doctor at the emergency room didn't even charge us for his services. It was a great thing to experience such a desire from a stranger to serve and be a blessing. We thank the Lord, He has taken very good care of us, and protected us.

As always, we thank the Lord for you, and we also thank you for being there for us. Thank you for your' faithful prayers and offerings. May you and yours be blessed in this time of giving thanks, celebrating our Lord's birth, and the coming New Year.
