Our eight churches in China are doing well. This picture was the last Sunday in April. This is one of our new churches that was established just a few years ago. They have the exact same struggles with COVID fears there that our churches have here in America. Some church members have grown accustomed to staying home instead of returning to church. Some have severe fears, but others have great faith and realize the need for church and continue to go each Sunday.

Cindy and I are still locked out of China, but we are hearing that the borders will reopen in August. China is still working on their reentry policies and I'm sure they will change again before the month is over. Please pray that missionaries from all fields will soon have the chance to return to their fields of service.

My schedule for May and June is almost full but dates are open for July. If you wish for us to give an update of our work in China, please email or call. We've really enjoyed the opportunities to visit our supporters and the blessings of visiting several new churches.

Thank you for your faithfulness to pray for China and to support us these 27 years. God's been Good and we Rejoice in his Goodness.
