PAPER PLATE ANGEL CRAFT

Make some pretty little angels for a Christmas craft with your kids! It is super easy and they can customize them to look like themselves. I think silver glitter angels would be beautiful as well.

Materials Needed:

- Paper Plate
- Scissors
- Gold glitter
- Paper
- Gold sparkly pipe cleaner
- Tape/Glue
- Sharpie/Pink Crayon

Start by cutting a deep triangle out of a white paper plate. Put lines of glue all around the plate and shake gold glitter on it. Cut out the angel's face, then add facial features, hair and the hands. Bend a gold pipe cleaner to look like a halo and tape it to the back of the head. It's easiest to tape the bottom part of the plate on. Add some rosy pink cheeks and you're done!
