FROM THE PRINCIPAL'S CHAIR

With the early signs of a seasonal change I wish you all the best for a productive spring.

Papakaio has a solid history of helping others. We are looking to support families in need by registering for the 'Watties Cans for Good' where we collect cans of food for our local Salvation Army. You can support us by sending in cans to the school office before Friday the 24th of August. On Friday we will create an artwork with the cans we have collected to compete with other schools and organisations. The more cans we have the more possibilities. They don't have to be Watties cans, but Watties have donated a generous 25,000 cans nationwide. Please pop a can or two extra into your shopping trolley and send them into school.

CROSS COUNTRY FRIDAY 10TH AUGUST

The whole school will be travelling by bus to Five Forks for our school zone Cross Country with other local country schools on Friday August 10th. This starts at 12.30pm. **Children will have an early lunch and be ready to leave school by 11.30am.** It is a great course which may involve mud so please send your child to school with suitable clothes and shoes for running. I recommend a school shirt, a pair of shorts and a plastic bag for any muddy items. Children will need warm clothing to wear before and after the event and a water bottle. As room on the buses will be tight, if you are passing on the way, please drop off and pick up your children. It will be helpful if you let us know before Friday morning if you are either picking up/or taking your children home directly from the event. Txt 021 103 3675 or call school 431 7851.

If your child is too unwell to run in the Cross Country you should keep them at home on Friday or pick them up before we leave at 11.30am. There will be nobody to supervise non-runners at the event.

A REMINDER, pre-schoolers will need to be closely supervised as there is water and other potential hazards.
