DIGERATI TECHNOLOGIES, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

NOTE 1 – BASIS OF PRESENTATION

The accompanying unaudited interim consolidated financial statements of Digerati Technologies, Inc. (“we;” “us,” “our,” or the “Company”) have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the United States Securities and Exchange Commission. In the opinion of management, these interim financial statements contain all adjustments, consisting of normal recurring adjustments necessary for a fair presentation of financial position and the results of operations for the interim periods presented. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the consolidated financial statements, which would substantially duplicate the disclosure contained in the audited consolidated financial statements for the year ended July 31, 2018 contained in the Company’s Form 10-K filed on November 16, 2018 have been omitted.

Revenue Recognition

On August 1, 2018, we adopted Topic 606 using the modified retrospective method applied to those contracts which were not completed as of August 1, 2018. Results for reporting periods beginning after August 1, 2018 are presented under Topic 606, while prior period amounts are not adjusted and continue to be reported in accordance with our historic accounting under Topic 605. There was no impact to the opening balance of accumulated deficit or revenues for the six months ended January 31, 2018 as a result of applying Topic 606.

The Company recognizes cloud-based hosted services revenue, mainly from subscription services to its cloud-based hosted IP/PBX services, SIP trunking, call center applications, interactive voice response auto attendant, voice and web conferencing, call recording, simultaneous calling, voicemail to email conversion, integrated mobility applications that are device and location agnostic, and multiple customized IP/PBX features in a hosted or cloud environment. Other services include enterprise-class data and connectivity solutions through multiple broadband technologies including cloud WAN or SD-WAN (Software-defined Wide Area Network), fiber, and Ethernet over copper. We also offer remote network monitoring, data backup and disaster recovery. The Company applies a five-step approach in determining the amount and timing of revenue to be recognized: (1) identifying the contract with a customer, (2) identifying the performance obligations in the contract, (3) determining the transaction price, (4) allocating the transaction price to the performance obligations in the contract and (5) recognizing revenue when the performance obligation is satisfied. Substantially all of the Company’s revenue is recognized at the time control of the products transfers to the customer.

Service Revenue

Service revenue from subscriptions to the Company’s cloud-based technology platform is recognized over time on a ratable basis over the contractual subscription term beginning on the date that the platform is made available to the customer. Payments received in advance of subscription services being rendered are recorded as a deferred revenue. Usage fees, either bundled or not bundled, are recognized when the Company has a right to invoice. Professional services for configuration, system integration, optimization, customer training and/or education are primarily billed on a fixed-fee basis and are performed by the Company directly or, alternatively, customers may also choose to perform these services themselves or engage their own third-party service providers. Professional services revenue is recognized over time, generally as customer services are activated.

Product Revenue

The Company recognizes product revenue for telephony equipment at a point in time, when transfer of control has occurred, which is generally upon delivery. Sales returns are recorded as a reduction to revenue estimated based on historical experience.

Disaggregation of Revenue

Summary of disaggregated revenue is as follows (in thousands):

	Three months ended January 31,		Six months ended January 31,	
	2019	2018	2019	2018
Service revenue	\$ 1,449	\$ 151	\$ 2,885	\$ 207
Product revenue	37	-	123	-
Total operating revenues	\$ 1,486	\$ 151	\$ 3,008	\$ 207

Contract Assets

Contract assets are recorded for those parts of the contract consideration not yet invoiced but for which the performance obligations are completed. The revenue is recognized when the customer receives services or equipment for a reduced consideration at the onset of an arrangement, for example when the initial month's services or equipment are discounted. Contract assets are included in prepaid and other current assets in the consolidated balance sheets, depending on if their reduction is recognized during the succeeding 12-month period or beyond. Contract assets as of January 31, 2019 and July 31, 2018, were \$23,173 and \$12,155, respectively.

Deferred Income

Deferred income represent billings or payment received in advance of revenue recognition and is recognized upon transfer of control. Balances consist primarily of annual plan subscription services, for services not yet provided as of the balance sheet date. Deferred revenues that will be recognized during the succeeding 12-month period are recorded as current deferred revenues in the consolidated balance sheets, with the remainder recorded as other noncurrent liabilities in the consolidated balance sheets. Deferred income as of January 31, 2019 and July 31, 2018, were \$363,000 and \$262,000, respectively.

Costs to Obtain a Customer Contract

Sales commissions are paid upon collections of related revenue and are expensed during the same period. Sales commissions for the six months ended January 31, 2019 and six months ended January 31, 2018, were \$26,011 and \$12,603, respectively.

NOTE 2 – GOING CONCERN

Financial Condition

Digerati's consolidated financial statements for the six months ending January 31, 2019 have been prepared on a going concern basis, which contemplates the realization of assets and the settlement of liabilities in the normal course of business. Digerati has incurred net losses and accumulated a deficit of approximately \$84,213,000 and a working capital deficit of approximately \$6,064,000 which raises doubt about Digerati's ability to continue as a going concern.

Management Plans to Continue as a Going Concern

Management believes that current available resources will not be sufficient to fund the Company's operations over the next 12 months. The Company's ability to continue to meet its obligations and to achieve its business objectives is dependent upon, among other things, raising additional capital or generating sufficient revenue in excess of costs. At such time as the Company requires additional funding, the Company will seek to secure such additional funding from various possible sources, including the public equity market, private financings, sales of assets, collaborative arrangements and debt. If the Company raises additional capital through the issuance of equity securities or securities convertible into equity, stockholders will experience dilution, and such securities may have rights, preferences or privileges senior to those of the holders of common stock or convertible senior notes. If the Company raises additional funds by issuing debt, the Company may be subject to limitations on its operations, through debt covenants or other restrictions. If the Company obtains additional funds through arrangements with collaborators or strategic partners, the Company may be required to relinquish its rights to certain technologies. There can be no assurance that the Company will be able to raise additional funds or raise them on acceptable terms. If the Company is unable to obtain financing on acceptable terms, it may be unable to execute its business plan, the Company could be required to delay or reduce the scope of its operations, and the Company may not be able to pay off its obligations, if and when they come due.

The Company will continue to work with various funding sources to secure additional debt and equity financings. However, Digerati cannot offer any assurance that it will be successful in executing the aforementioned plans to continue as a going concern.

Digerati's consolidated financial statements as of January 31, 2019 do not include any adjustments that might result from the inability to implement or execute Digerati's plans to improve our ability to continue as a going concern.

NOTE 4 – STOCK-BASED COMPENSATION

In November 2015, Digerati adopted the Digerati Technologies, Inc. 2015 Equity Compensation Plan (the "Plan"). The Plan authorizes the grant of up to 7.5 million stock options, restricted common shares, non-restricted common shares and other awards to employees, directors, and certain other persons. The Plan is intended to permit Digerati to retain and attract qualified individuals who will contribute to the overall success of Digerati. Digerati's Board of Directors determines the terms of any grants under the Plan. Exercise prices of all stock options and other awards vary based on the market price of the shares of common stock as of the date of grant. The stock options, restricted common stock, non-restricted common stock and other awards vest based on the terms of the individual grant.

During the six months ended January 31, 2019, we issued:

- 635,155 common shares to various employees as part of the Company's Non-Standardized profit-sharing plan contribution. The Company recognized stock-based compensation expense of approximately \$115,000 equivalent to the value of the shares calculated based on the share's closing price at the grant dates.
- 100,000 options to purchase common shares to a member of the Board of Directors with an exercise price of \$0.18 per share and a term of 5 years. The options vest equally over a period of one year. The options have a fair market value of \$11,406.

The fair market value of all options issued was determined using the Black-Scholes option pricing model which used the following assumptions:

Expected dividend yield	0.00%
Expected stock price volatility	178.79%
Risk-free interest rate	2.73%
Expected term	1.0 year

Digerati recognized approximately \$251,000 and \$503,500 in stock-based compensation expense to employees during the six months ended January 31, 2019 and 2018, respectively. Unamortized compensation cost totaled \$265,000 and \$420,000 at January 31, 2019 and January 31, 2018, respectively.

A summary of the stock options as of January 31, 2019 and July 31, 2018 and the changes during the six months ended January 31, 2019 and July 31, 2018:

	Options	Weighted- average exercise price	Weighted- average remaining contractual term (years)
Outstanding at July 31, 2018	3,415,000	\$ 0.33	4.58
Granted	100,000	\$ 0.18	4.87
Exercised	-	-	-
Forfeited and cancelled	-	-	-
Outstanding at January 31, 2019	<u>3,515,000</u>	<u>\$ 0.32</u>	<u>3.58</u>
Exercisable at January 31, 2019	<u>2,664,688</u>	<u>\$ 0.31</u>	<u>3.41</u>

The aggregate intrinsic value (the difference between the Company's closing stock price on the last trading day of the six months and the exercise price, multiplied by the number of in-the-money options) of the 3,515,000 and 3,415,000 stock options outstanding at January 31, 2019 and July 31, 2018 was \$56,000 and \$706,372, respectively.

The aggregate intrinsic value of 2,664,688 and 2,006,111 stock options exercisable at January 31, 2019 and July 31, 2018 was \$47,317 and \$587,389, respectively.

NOTE 5 – WARRANTS

During the six months ended January 31, 2019, the Company issued the following warrants:

The Company secured \$40,000 from an accredited investor under a private placement and issued 80,000 shares of its common stock at a price of \$0.50 per share and warrants to purchase an additional 15,000 shares of its common stock at an exercise price of \$0.50 per share. We determined that the warrants issued in connection with the private placement were equity instruments and did not represent derivative instruments. The Company adopted a sequencing policy and determined that the warrants with fixed exercise price were excluded from derivative consideration.

In October 2018, Digerati issued 200,000 warrants under an extension of payments to existing promissory notes, with a combined current principal balance of \$75,000, the warrants vested at time of issuance. The warrants have a term of 3 years, with an exercise price of \$0.10. Under a Black-Scholes valuation the relative fair market value of the warrants at time of issuance was approximately \$38,000 and was recognized as a discount on the promissory note, the company will amortize the fair market value as interest expense over 3 months. The Company adopted a sequencing policy and determined that the warrants with fixed exercise price were excluded from derivative consideration.

During the six months ended January 31, 2019, we cancelled 260,000 warrants with an exercise price of \$0.15. Additionally, the Company issued 260,000 common shares to replace these warrants, in conjunction with two promissory notes with a principal balance of \$50,000, in addition at the time of issuance we recognized a discount of \$36,000.

The fair market value of all warrants issued was determined using the Black-Scholes option pricing model which used the following assumptions:

Expected dividend yield	0.00%
Expected stock price volatility	153.99% - 237.00%
Risk-free interest rate	2.05% - 2.93%
Expected term	3.0 - 5.0 years

A summary of the warrants as of January 31, 2019 and July 31, 2018 and the changes during the six months ended January 31, 2019 and July 31, 2018 are presented below:

	Warrants	Weighted- average exercise price	Weighted- average remaining contractual term (years)
Outstanding at July 31, 2018	2,370,000	\$ 0.28	2.90
Granted	215,000	\$ 0.13	2.73
Exercised	-	-	-
Forfeited and cancelled	(260,000)	\$ 0.15	3.99
Outstanding at January 31, 2019	<u>2,325,000</u>	<u>\$ 0.34</u>	<u>2.61</u>
Exercisable at January 31, 2019	<u>2,025,000</u>	<u>\$ 0.24</u>	<u>2.42</u>

The aggregate intrinsic value (the difference between the Company's closing stock price on the last trading day of the period and the exercise price, multiplied by the number of in-the-money warrants) of the 2,325,000 and 2,370,000 warrants outstanding at January 31, 2019 and July 31, 2018 was \$235,580 and \$607,557, respectively.

Each of the four Investor is entitled to, at its option, convert all or any amount of the principal amount and any accrued but unpaid interest of the Note into shares of the Company’s Common Stock, at any time, at a conversion price for each share of Common Stock equal to (i) the lowest trading price of the Common Stock (as defined in the Note) as reported on the National Quotations Bureau OTC Marketplace exchange upon which the Company’s shares are traded during the twenty (20) consecutive Trading Day period immediately preceding the issuance date of each Note; or (ii) 60% multiplied by the lowest traded price of the Common Stock during the twenty (20) consecutive Trading Day period immediately preceding the Trading Day that the Company receives a notice of conversion (the “Variable Conversion Price”). Fair Value of Financial Instruments. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy is used which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The fair value hierarchy based on the three levels of inputs that may be used to measure fair value are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

For certain of our financial instruments, including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to the short maturity of these instruments. The carrying value of our long-term debt approximates its fair value based on the quoted market prices for the same or similar issues or the current rates offered to us for debt of the same remaining maturities.

Our derivative liabilities as of January 31, 2019 and July 31, 2018 were \$2,406,805 and \$632,268, respectively.

The fair market value of all derivatives during the six months ended July 31, 2019 was determined using the Black-Scholes option pricing model which used the following assumptions:

Expected dividend yield	0.00%
Expected stock price volatility	165.84% - 190.31%
Risk-free interest rate	2.21% - 2.93%
Expected term	0.58 - 2.75 years

Level 3 inputs.

The following table provides a summary of the changes in fair value of the derivative financial instruments measured at fair value on a recurring basis using significant unobservable inputs:

Balance at July 31, 2018	\$ 632,268
Derivative from new convertible promissory notes	419,000
Derivative liability resolved to additional paid in capital due to debt conversion	(141,768)
Derivative loss	1,497,305
Balance at January 31, 2019	<u>\$ 2,406,805</u>

The Company recorded these discounts and cost of \$7,750 as a discount to the Note and will be amortized as interest expense over the term of the Note.

The Note shall bear interest at a rate of ten percent (10%) per annum (the “Interest Rate”), which interest shall be paid by the Company to the Investor in shares of Common Stock at any time an Investor sends a notice of conversion to the Company. The Investor is entitled to, at its option, convert all or any amount of the principal amount and any accrued but unpaid interest of the Note into shares of the Company’s Common Stock, at any time, at a conversion price for each share of Common Stock equal to (i) the lowest trading price of the Common Stock (as defined in the Note) as reported on the National Quotations Bureau OTC Marketplace exchange upon which the Company’s shares are traded during the twenty (20) consecutive Trading Day period immediately preceding the issuance date of each Note; or (ii) 60% multiplied by the lowest traded price of the Common Stock during the twenty (20) consecutive Trading Day period immediately preceding the Trading Day that the Company receives a notice of conversion (the “Variable Conversion Price”). The Variable Conversion Price may further be adjusted in connection with the terms of the Notes.

The Note may be prepaid until 180 days from the issuance date with the following penalties: (i) if a Note is prepaid within ninety (90) days of the issuance date, then the prepayment premium shall be 125% of the outstanding principal amount plus any accrued and unpaid interest; (ii) if a Note is prepaid during the period beginning on the date which is ninety-one (91) days following the issuance date, and ending on the date which is one hundred eighty (180) days following the issuance date, then the prepayment premium shall be 130% of the outstanding principal amount plus any accrued and unpaid interest. Such prepayment redemptions must be closed and funded within three days of giving notice of prepayment or the right to prepay shall be forfeited.

The Company shall at all times reserve a minimum of six (6) times the number of its authorized and unissued common stock (the “Reserved Amounts”), free from preemptive rights, to provide for the issuance of Common Stock upon the full conversion of the Note. Upon full conversion of the Note, any shares remaining in such reserve shall be cancelled. The Company will, from time to time, increase the Reserved Amount in accordance with the Company’s obligations under the Note.

Pursuant to the terms of the SPAs, for so long as the Investor owns any shares of Common Stock issued upon conversion of a Note (the “Conversion Shares”), the Company covenants to secure and maintain the listing of such shares of Common Stock. The Company is also subject to certain customary negative covenants under the Note and the SPAs, including but not limited to the requirement to maintain its corporate existence and assets, subject to certain exceptions, and not to make any offers or sales of any security under circumstances that would require registration of or stockholder approval for the Note or the Conversion Shares.

The Company analyzed the Note for derivative accounting consideration and determined that the embedded conversion option qualified as a derivative instrument, due to the variable conversion price. Therefore, as of the date of the Note, the company recognized derivative liability of \$135,000, of which \$50,000 was recorded as debt discount and will be amortized during the term of the Note and \$85,000 was recorded as derivative loss. In connection with the execution of the Note, we issued 50,000 shares of our common stock to the Note holders, the shares were recorded with a relative fair value of \$0 as the notes were fully discounted by derivative liability.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations.

This Quarterly Report on Form 10-Q contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. “Forward-looking statements” are those statements that describe management’s beliefs and expectations about the future. We have identified forward-looking statements by using words such as “anticipate,” “believe,” “could,” “estimate,” “may,” “expect,” “plan,” and “intend.” Although we believe these expectations are reasonable, our operations involve a number of risks and uncertainties. Some of these risks include the availability and capacity of competitive data transmission networks and our ability to raise sufficient capital to continue operations. Additional risks are included in our Annual Report on Form 10-K for the fiscal year ended July 31, 2018 filed with the Securities and Exchange Commission on November 16, 2018.

The following is a discussion of the unaudited interim consolidated financial condition and results of operations of Digerati for the three and six months ended January 31, 2019 and 2018. It should be read in conjunction with our audited Consolidated Financial Statements, the Notes thereto, and the other financial information included in the Company’s Annual Report on Form 10-K for the fiscal year ended July 31, 2018 filed with the Securities and Exchange Commission on November 16, 2018. For purposes of the following discussion, fiscal 2019 or 2019 refers to the year ended July 31, 2019 and fiscal 2018 or 2018 refers to the year ended July 31, 2018.

Overview

Digerati Technologies, Inc., a Nevada corporation (including our subsidiaries, “we,” “us,” “Company” or “Digerati”), through its operating subsidiaries, Shift8 Networks, Inc., dba Synergy Telecom (“Shift8”) and T3 Communications, Inc. (“T3”), provides cloud services specializing in Unified Communications as a Service (“UCaaS”) solutions for the business market. Our product line includes a portfolio of Internet-based telephony products and services delivered through our cloud application platform and session-based communication network and network services including Internet broadband, fiber, and cloud WAN solutions. Our services are designed to provide enterprise-class, carrier-grade services to the small-to-medium-sized business (“SMB”) at cost-effective monthly rates. Our UCaaS or cloud communication services include fully hosted IP/PBX, mobile applications, Voice over Internet Protocol (“VoIP”) transport, SIP trunking, and customized VoIP services all delivered **Only in the Cloud™**.

As a provider of cloud communications solutions to the SMB, we are seeking to capitalize on the migration by businesses from the legacy telephone network to the Internet Protocol (“IP”) telecommunication network and the migration from hardware-based on-premise telephone systems to software-based communication systems in the cloud. Most SMBs are lagging in technical capabilities and advancement and seldom reach the economies of scale that their larger counterparts enjoy, due to their achievement of a critical mass and ability to deploy a single solution to a large number of workers. SMBs are typically unable to afford comprehensive enterprise solutions and, therefore, need to integrate a combination of business solutions to meet their needs. Cloud computing has revolutionized the industry and opened the door for businesses of all sizes to gain access to enterprise applications with affordable pricing. This especially holds true for cloud telephony applications, but SMBs are still a higher-touch sale that requires customer support for system integration, network installation, cabling, and troubleshooting. We have placed a significant emphasis on that “local” touch when selling, delivering, and supporting our services which we believe will differentiate us from the national providers that are experiencing high attrition rates due to poor customer support model.

The adoption of cloud communication services is being driven by the convergence of several market trends, including the increasing costs of maintaining installed legacy communications systems, the fragmentation resulting from use of multiple on-premise systems, and the proliferation of personal smart-phones used in the workplace. Today, businesses are increasingly looking for an affordable path to modernizing their communications system to improve productivity, business performance and customer experience.

Our cloud solutions offer the SMB reliable, robust, and full-featured services at affordable monthly rates that eliminates high-cost capital expenditures and provides for integration with other cloud-based systems.

Recent Acquisitions

In December 2017, we closed a transaction to acquire all the assets, assumed all customers, and critical vendor arrangements from Synergy Telecom, Inc. Synergy provides UCaaS or cloud communication services to small and medium-sized business and municipalities, primarily in Texas.

In May 2018, we completed the acquisition of T3 Communications, Inc., an established UCaaS and Internet broadband provider serving a high-growth corridor in Southwest Florida.

Sources of revenue:

Cloud-based hosted Services: We provide UCaaS or cloud communication services and managed cloud-based solutions to small and medium size enterprise customers and to other resellers. Our Internet-based services include fully hosted IP/PBX services, SIP trunking, call center applications, interactive voice response auto attendant, voice and web conferencing, call recording, simultaneous calling, voicemail to email conversion, integrated mobility applications that are device and location agnostic, and multiple customized IP/PBX features in a hosted or cloud environment. Other services include enterprise-class data and connectivity solutions through multiple broadband technologies including cloud WAN or SD-WAN (Software-defined Wide Area Network), fiber, and Ethernet over copper. We also offer remote network monitoring, data backup and disaster recovery.

Direct Costs:

Cloud-based hosted Services: We incur bandwidth and colocation charges in connection with our UCaaS or cloud communication services. The bandwidth charges are incurred as part of the connectivity between our customers to allow them access to our various services. We also incur costs from underlying providers for fiber, Internet broadband, and telecommunication circuits in connection with our data and connectivity solutions.

Cash used in investing activities during the six months ended January 31, 2019 was \$37,000 for the purchase of equipment.

Cash provided by financing activities during the six months ended January 31, 2019 was \$232,000, the Company secured \$40,000 from an accredited investor through the issuance of 80,000 restricted common shares with a price of \$0.50 per share and 15,000 warrants with an exercise price of \$0.50 per share. Also, the Company secured \$75,000 from an accredited investor through the issuance of 258,621 restricted common shares with a price of \$0.29 per share. In addition, the Company secured \$100,000 from 3rd party promissory notes. The Company also secured \$419,000 from convertible notes, net of issuance costs and discounts. Furthermore, the Company secured \$25,000 from a promissory note with a related party. Also, the Company made principal payments of \$62,000 on related party notes, \$301,000 in principal payments on convertible notes, \$50,000 in principal payments on 3rd party promissory notes and \$14,000 in principal payments on financing leases. Overall, our net operating, investing and financing activities during the six months ended January 31, 2019 provided approximately \$189,000 of our available cash.

We are currently taking initiatives to reduce our overall cash deficiencies on a monthly basis. During fiscal 2019 we anticipate reducing fixed costs and general expenses, in addition, certain members of our management team have taken a significant portion of their compensation in common stock to reduce the depletion of our available cash. To strengthen our business, we intend to invest in a new marketing and sales strategy to grow our monthly recurring revenue; we anticipate utilizing our value-added resellers to tap into new sources of revenue streams, we have also secured various agent agreements to accelerate revenue growth. In addition, we will continue to focus on selling a greater number of comprehensive services to our existing customer base. Further, in an effort to increase our revenues, we will continue to evaluate the acquisition of various assets with emphasis in VoIP Services and Cloud Communication Services. As a result, during the due diligence process we anticipate incurring significant legal and professional fees. During the year ended fiscal 2018, the Company acquired T3 Communications, Inc., a leading provider of cloud communication and Internet broadband solutions in Southwest Florida. The acquisition of T3 allowed the Company to accelerate its revenue growth and expand into new markets.

Management believes that current available resources will not be sufficient to fund the Company's operations over the next 12 months. The Company's ability to continue to meet its obligations and to achieve its business objectives is dependent upon, among other things, raising additional capital, issuing stock-based compensation to certain members of the executive management team in lieu of cash, or generating sufficient revenue in excess of costs. At such time as the Company requires additional funding, the Company will seek to secure such best-efforts funding from various possible sources, including equity or debt financing, sales of assets, or collaborative arrangements. If the Company raises additional capital through the issuance of equity securities or securities convertible into equity, stockholders will experience dilution, and such securities may have rights, preferences or privileges senior to those of the holders of common stock or convertible senior notes. If the Company raises additional funds by issuing debt, the Company may be subject to limitations on its operations, through debt covenants or other restrictions. If the Company obtains additional funds through arrangements with collaborators or strategic partners, the Company may be required to relinquish its rights to certain technologies. There can be no assurance that the Company will be able to raise additional funds or raise them on acceptable terms. If the Company is unable to obtain financing on acceptable terms, it may be unable to execute its business plan, the Company could be required to curtail its operations, and the Company may not be able to pay off its obligations, if and when they come due.

Our current cash expenses are expected to be approximately \$95,000 per month, including wages, rent, utilities and corporate professional fees. As described elsewhere herein, we are not generating sufficient cash from operations to pay for our ongoing operating expenses, or to pay our current liabilities. As of January 31, 2019, our total liabilities were approximately \$7,981,000, which included \$2,407,000 in derivative liabilities. We will continue to use our available cash on hand to cover our deficiencies in operating expenses.

We estimate that we need approximately \$500,000 of additional working capital to fund our ongoing operations during Fiscal 2019. We used proceeds secured from 3rd party promissory notes to pay existing notes and we anticipate raising additional debt financing to meet our working capital needs.

Digerati's consolidated financial statements for the six months ending January 31, 2019 have been prepared on a going concern basis, which contemplates the realization of assets and the settlement of liabilities in the normal course of business. Digerati has incurred net losses and accumulated a deficit of approximately \$84,213,000 and a working capital deficit of approximately \$6,064,000 which raises substantial doubt about Digerati's ability to continue as a going concern.

RECITALS:

- A. Employer considers the maintenance of a sound and effective management team, including Employee, essential to protecting and enhancing its best interests and those of its stockholders.
- B. Employer desires to offer employment to Employee and Employee desires to be employed by Employer.
- C. Employer and Employee agree to enter into an Employment Agreement providing for a one-year term with automatic annual renewal on the terms and conditions herein provided.

NOW, THEREFORE, in consideration of Employer’s agreement to employ Employee pursuant to the terms of this Agreement and Employee’s future employment with Employer, and other good and valuable consideration, the parties agree as follows:

Section 1 . Employment. Employer hereby employs Employee, and Employee hereby accepts employment, upon the terms and subject to the conditions stated in this Agreement.

Section 2 . Duties. Employee shall be employed as the Executive Chairman of Employer (the “Chairman”), or such other comparable position with Employer to which he may be appointed by the Board of Directors of Employer. Employee shall have such duties and responsibilities as are normally associated with the foregoing position and such additional duties and responsibilities as he may be assigned from time to time by the Board of Directors. It is understood that Employee may be appointed as an officer and requested from time to time to provide assistance or services to subsidiary and affiliated companies of Employer or other company that are wholly or partially owned by Employer (each an “Affiliate”). Employee shall perform such services without additional compensation other than the compensation set forth in this Agreement. Employee agrees to devote his full work time and best efforts to the performance of the duties as an employee of Employer and to the performance of such other duties as assigned him from time to time by Employer.

Section 3 . Term. The Agreement shall commence on the Effective Date and continue until the last day of the Company’s fiscal year following the one-year anniversary of the Effective Date (the “Initial Term”). Unless Employer or Employee shall provide the other with at least 60 days written notice, this Agreement shall automatically renew thereafter on the first day of each fiscal year of Employer for an additional one-year term commencing on such first day of each fiscal year and continuing until the last day of such fiscal year (each, an “Extension Term” and together with the Initial Term, the “Employment Period”). The foregoing notwithstanding, the Employment Period may be terminated early in accordance with Section 6 of this Agreement.

Section 4 . Compensation and Benefits. In consideration for the services of Employee hereunder, Employer shall compensate Employee as follows during the Employment Period:

(a) *Base Salary* . Employer shall pay Employee a base salary at the rate of at least \$210,000 per year, payable in accordance with the regular payroll practices of Employer for executives. The Base Salary shall be reviewed annually by the Board of Directors during the first quarter of each fiscal year and shall be increased by such amount as the Board of Directors shall deem appropriate effective as of the first day of such fiscal year; provided that such increase shall be in an amount of not less than the increase, if any, in the Consumer Price Index as of the previous December 31 using 2017 as the base year. The Base Salary may not be decreased at any time during the Employment Period, but during the Initial Term and at the option of the Employee, Employee may accept up to 50% (or any other amount mutually agreed to by the Employee and Employer) of the base salary in common stock of the Company in lieu of cash.

(b) *Stock Grant* . Employee shall receive at the execution of this Agreement 550,000 shares of common stock. The \$4.00 trading price per share will be adjusted for any forward or reverse split of the Company's stock. The Employee may elect to receive common stock in the Company in lieu of a cash payment for the share price bonus or apply the bonus towards the exercise of vested stock options in a cash-less transaction.

(d) *Stipend*. Employee shall receive a one-time payment of \$35,000 upon the Company listing on a primary stock exchange (e.g. NASDAQ or NYSE American). The Employee may elect to receive common stock in the Company in lieu of a cash payment for this up-listing stipend or apply the stipend towards the exercise of vested stock options in a cash-less transaction. The stipend shall be considered fully earned upon initial listing in a primary stock exchange and paid within 10 business days from such event.

A “Spin-Off” means the sale of a subsidiary or distribution of shares of capital stock to the shareholders of the Company that the Company owns in a subsidiary, whether it is 100% of the ownership or a lesser amount.

(g) *Executive Bonus Plan* . Employee shall be eligible to receive from Employer such management incentive bonuses as may be provided in management incentive bonus plans adopted from time to time by Employer or approved by the Board of Directors of the Company.

(h) *Stock Options* . Employee shall participate in the stock compensation plan adopted by the Board to provide management and employees with long-term stock-based compensation. Employee shall be entitled time off in accordance with Employee’s vacation and absence policy, as it may be modified from time to time during Employee’s employment hereunder; provided that Employee will have no less than three (3) weeks of paid vacation during the Initial Term or any Extension Term of this Agreement. Any time off not used within the Initial Term or any Extension Term shall be accumulated and may be used during any subsequent Extension Term up to an aggregate amount of five (5) weeks during any Extension Term.

(j) *Group Insurance Benefits* . Employee shall be entitled to participate in Employer’s group health, life and disability programs as are made available to Employer’s other executives and Employee’s participation in such programs shall be at the same rates that are available to Employer’s other executives. Nothing herein shall be deemed to require Employer to adopt and maintain a group health, life and disability program or to limit or prohibit Employer’s right to amend or terminate any group health, life or disability program adopted by Employer.

(k) *Savings Plans* . Employee shall be entitled to participate in Employer’s 401(k) savings plan, profit sharing plan, or other retirement or savings plans as are made available to Employer’s other executives on the same terms that are available to Employer’s other executives. Nothing herein shall be deemed to require Employer to adopt and maintain a 401(k) savings plan or other retirement or savings plans or to limit or prohibit Employer’s right to amend or terminate any 401(k) savings plan or other retirement or savings plans adopted by Employer.

Section 5 . Expenses. The parties anticipate that in connection with the services to be performed by Employee pursuant to the terms of this Agreement, Employee will be required to make payments for travel, entertainment of business associates and similar expenses. Employer shall reimburse Employee for all appropriate and reasonable expenses authorized by Employer and incurred by Employee in the performance of his duties hereunder. Employee shall comply with such budget limitations and approval and reporting requirements with respect to expenses as Employer may establish from time to time.

(b) *Withholding* . All payments required to be made to Employee by Employer under this Agreement shall be subject to the withholding of such amounts, if any, relating to federal, state and local taxes as may be required by law and such amounts, if any, as Employee shall authorize in connection with benefit plans in which Employee is a participant.

(c) *Equitable Remedies* . Each of the parties hereto acknowledges and agrees that upon any breach by Employee of his obligations under any of Sections 7, 8, 9, and 10 Employer shall suffer immediate, great and irreparable injury and shall have no adequate remedy at law. Accordingly, in event of such breach or threatened breach, Employer shall be entitled, in addition to other remedies and without showing actual damages, to specific performance and other appropriate injunctive and equitable relief. Employer shall not be obligated to provide a bond for any such injunction.

(d) *Severability* . If any provision of this Agreement is held to be illegal, invalid or unenforceable, such provision shall be modified as to duration or geography to the minimum extent necessary to make it legal, valid and enforceable and as so modified enforced. If any such provision cannot be modified to be made legal, valid and enforceable, such provisions shall be fully severable, and this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision never comprised a part hereof, and the remaining provisions hereof shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in its terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

(e) *Effect on Other Agreements*. This Agreement modifies and amends, to the extent necessary to give effect to the provisions hereof, any Stock Option Agreement, Stock Grant, or other contract relating to the issuance of benefits under Employer's benefit plans.

(f) *Waivers* . No delay or omission by either party in exercising any right, power or privilege hereunder shall impair such right, power or privilege, nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise thereof or the exercise of any other right, power or privilege.

(g) *Counterparts* . This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

(h) *Captions* . The captions in this Agreement are for convenience of reference only and shall not limit or otherwise affect any of the terms or provisions hereof.

(i) *Interpretation of Agreement* . This Agreement shall be construed according to its fair meaning and not for or against either party. The Parties have each been represented by counsel (or advised of their right to be represented by counsel and waived such right) and have participated in the drafting of this Agreement. No rule of construction or interpretation shall be applied that construes any provision against a Party because it was drafted by such Party. Use of the words “herein,” “hereof,” “hereto,” “hereunder” and the like in this Agreement refer to this Agreement only as a whole and not to any particular section or subsection of this Agreement, unless otherwise noted. The masculine gender shall be deemed to denote the feminine or neuter genders, the singular to denote the plural, and the plural to denote the singular, where the context so permits.

(j) *Binding Agreement ; Assignment* . This Agreement shall be binding upon and inure to the benefit of the parties and shall be enforceable by the personal representatives and heirs of Employee and the successors and assigns of Employer. The Affiliates of Employer shall be considered third party beneficiaries of this Agreement with respect to any services provided by Employee to them and in connection with Employee’s covenants in Sections 7, 8, 9 and 10 hereof. This Agreement is not otherwise assignable by Employee.

(k) *Entire Agreement* . This Agreement contains the entire understanding of the parties, supersedes all prior agreements and understandings relating to the subject matter hereof and may not be amended except by a written instrument hereafter signed by each of the parties hereto.

(l) *Governing Law* . This Agreement and the performance hereof shall be construed and governed in accordance with the laws of the State of Texas, without regard to its choice of law principles.

(m) *Arbitration* . Without limiting Employer’s right to seek equitable remedies under Section 11(c) above, Employer and Employee agree that any dispute or controversy arising under or in connection with this Agreement shall be settled first by attendance at a mandatory mediation process and, if not resolved by mediation, by arbitration. If the parties are unable to agree on a mediator, either party may petition a Bexar County state district court judge for assistance in selecting a mediator. Arbitration under this Agreement shall be governed by the Federal Arbitration Act and proceed in San Antonio, Texas in accordance with the rules of the American Arbitration Association (“AAA”). Arbitration will be conducted before a panel of three neutral arbitrators selected from an AAA list of proposed arbitrators with business law experience. Either party may take any legal action needed to protect any right pending completion of the arbitration. The arbitrator will determine whether an issue is arbitrable and will give effect to applicable statutes of limitation. The arbitrator has the discretion to decide, upon documents only or with a hearing, any motion to dismiss for failure to state a claim or any motion for summary judgment. Discovery shall be governed by the Federal Rules of Civil Procedure and the Federal Rules of Evidence. All information developed by the arbitration or litigation shall be held in confidence subject to such protective orders as the arbitrator deems useful to ensure complete confidentiality. THIS EMPLOYMENT AGREEMENT (“Agreement”), executed this 14th day of February 2019 (the “Effective Date”) is between Digerati Technologies, Inc., a Nevada corporation (the “Employer” or “Company”), and Arthur L. Smith, an individual resident of the State of Texas (“Employee”).

RECITALS:

- A. Employer considers the maintenance of a sound and effective management team, including Employee, essential to protecting and enhancing its best interests and those of its stockholders.
- B. Employer desires to offer employment to Employee and Employee desires to be employed by Employer.
- C. Employer and Employee agree to enter into an Employment Agreement providing for a one-year term with automatic annual renewal on the terms and conditions herein provided.

NOW, THEREFORE, in consideration of Employer’s agreement to employ Employee pursuant to the terms of this Agreement and Employee’s future employment with Employer, and other good and valuable consideration, the parties agree as follows:

Section 1 . Employment. Employer hereby employs Employee, and Employee hereby accepts employment, upon the terms and subject to the conditions stated in this Agreement.

Section 2 . Duties. Employee shall be employed as the Chief Executive Officer of Employer (the “CEO”), or such other comparable position with Employer to which he may be appointed by the Board of Directors of Employer. Employee shall have such duties and responsibilities as are normally associated with the foregoing position and such additional duties and responsibilities as he may be assigned from time to time by the Board of Directors. It is understood that Employee may be appointed as an officer and requested from time to time to provide assistance or services to subsidiary and affiliated companies of Employer or other company that are wholly or partially owned by Employer (each an “Affiliate”). Employee shall perform such services without additional compensation other than the compensation set forth in this Agreement. Employee agrees to devote his full work time and best efforts to the performance of the duties as an employee of Employer and to the performance of such other duties as assigned him from time to time by Employer.

Section 3 . Term. The Agreement shall commence on the Effective Date and continue until the last day of the Company’s fiscal year following the one-year anniversary of the Effective Date (the “Initial Term”). Unless Employer or Employee shall provide the other with at least 60 days written notice, this Agreement shall automatically renew thereafter on the first day of each fiscal year of Employer for an additional one-year term commencing on such first day of each fiscal year and continuing until the last day of such fiscal year (each, an “Extension Term” and together with the Initial Term, the “Employment Period”). The foregoing notwithstanding, the Employment Period may be terminated early in accordance with Section 6 of this Agreement.

Section 4 . Compensation and Benefits. In consideration for the services of Employee hereunder, Employer shall compensate Employee as follows during the Employment Period:

(a) *Base Salary* . Employer shall pay Employee a base salary at the rate of at least \$200,000 per year, payable in accordance with the regular payroll practices of Employer for executives. The Base Salary shall be reviewed annually by the Board of Directors during the first quarter of each fiscal year and shall be increased by such amount as the Board of Directors shall deem appropriate effective as of the first day of such fiscal year; provided that such increase shall be in an amount of not less than the increase, if any, in the Consumer Price Index as of the previous December 31 using 2017 as the base year. The Base Salary may not be decreased at any time during the Employment Period, but during the Initial Term and at the option of the Employee, Employee may accept up to 50% (or any other amount mutually agreed to by the Employee and Employer) of the base salary in common stock of the Company in lieu of cash.

(b) *Stock Grant* . Employee shall receive at the execution of this Agreement 450,000 shares of common stock. The Stock Grant shall vest upon the earlier of the Company achieving \$15 million in annualized revenue or listing on a primary stock exchange (e.g. NASDAQ or NYSE American) and will be subject to adjustment for any forward or reverse split of the Company's stock.

(c) *Stipend*. Employee shall receive a 2% stipend on revenue from acquisition transactions approved by the Board of Directors and closed by the Company as of January 1, 2018. Acquisition revenue will be calculated based on the trailing twelve months (TTM) revenue of the company or assets (stock or asset purchase) acquired by the Company. The stipend for acquisitions will be capped at 200% of the annual base salary for the employee. The Employee may elect to receive common stock in the Company in lieu of a cash payment for the acquisition stipend or apply the stipend towards the exercise of vested stock options in a cash-less transaction. The stipend shall be considered fully earned at the closing of each acquisition and paid within 10 business days from such event. For acquisition transactions closed prior to the signing of this Agreement, the stipend shall be paid within 6 months of the signing of this Agreement or under terms mutually agreed upon between Employee and Employer. The stipend for acquisitions is subject to review and approval by the Board of Directors of the Company on an annual basis commencing August 1, 2019.

(d) *Stipend*. Employee shall receive a one-time payment of \$75,000 upon the Company listing on a primary stock exchange (e.g. NASDAQ or NYSE American). The Employee may elect to receive common stock in the Company in lieu of a cash payment for this up-listing stipend or apply the stipend towards the exercise of vested stock options in a cash-less transaction. The stipend shall be considered fully earned upon initial listing in a primary stock exchange and paid within 10 business days from such event.

(e) *Signing Bonus Stock Options*. Employee shall receive 585,000 stock options as of the effective date of this agreement. The stock options will vest equally over a period of 12 months from the issuance date.

(f) *Additional Compensation*. In the event of a Spin-Off (as defined below), Employee shall be entitled to receive 3% of the consideration payable to, and/or received by, the Company or its shareholders in a Spin-Off (calculated and paid from the total shares or cash to be distributed), which payment shall be made to Employee on the closing of the Spin-Off date. A "Spin-Off" means the sale of a subsidiary or distribution of shares of capital stock to the shareholders of the Company that the Company owns in a subsidiary, whether it is 100% of the ownership or a lesser amount.

(g) *Executive Bonus Plan*. Employee shall be eligible to receive from Employer such management incentive bonuses as may be provided in management incentive bonus plans adopted from time to time by Employer or approved by the Board of Directors of the Company.

(h) *Stock Options*. Employee shall participate in the stock compensation plan adopted by the Board to provide management and employees with long-term stock-based compensation. The number and terms of any options or other stock compensation granted to Employee under the stock compensation plan shall be determined by the Board in its discretion.

(i) *Vacation*. Employee shall be entitled time off in accordance with Employee's vacation and absence policy, as it may be modified from time to time during Employee's employment hereunder; provided that Employee will have no less than three (3) weeks of paid vacation during the Initial Term or any Extension Term of this Agreement. Any time off not used within the Initial Term or any Extension Term shall be accumulated and may be used during any subsequent Extension Term up to an aggregate amount of five (5) weeks during any Extension Term.

(j) *Group Insurance Benefits*. Employee shall be entitled to participate in Employer's group health, life and disability programs as are made available to Employer's other executives and Employee's participation in such programs shall be at the same rates that are available to Employer's other executives. Nothing herein shall be deemed to require Employer to adopt and maintain a group health, life and disability program or to limit or prohibit Employer's right to amend or terminate any group health, life or disability program adopted by Employer.

(k) *Savings Plans*. Employee shall be entitled to participate in Employer's 401(k) savings plan, profit sharing plan, or other retirement or savings plans as are made available to Employer's other executives on the same terms that are available to Employer's other executives. Nothing herein shall be deemed to require Employer to adopt and maintain a 401(k) savings plan or other retirement or savings plans or to limit or prohibit Employer's right to amend or terminate any 401(k) savings plan or other retirement or savings plans adopted by Employer.

Section 5 . Expenses. The parties anticipate that in connection with the services to be performed by Employee pursuant to the terms of this Agreement, Employee will be required to make payments for travel, entertainment of business associates and similar expenses. Employer shall reimburse Employee for all appropriate and reasonable expenses authorized by Employer and incurred by Employee in the performance of his duties hereunder. Employee shall comply with such budget limitations and approval and reporting requirements with respect to expenses as Employer may establish from time to time.

Section 6 . Termination.

(a) *General* . Employee's employment hereunder shall commence on the Effective Date and continue until the end of the Employment Period, except that the employment of Employee hereunder shall terminate prior to such time in accordance with the following:

(i) *Death or Disability* . Upon the death of Employee during the Employment Period or, at the option of Employer, in the event of Employee's Disability, upon 30 days' notice to Employee. "Disability" with respect to Employee shall be deemed to exist if Employee meets the definition of either "disabled" or "disability" under the terms of Employer's long-term disability benefit program (including the definitions for total or partial disability) or if there is no such definition or program, if Employee is unable to perform his obligations under this Agreement for a period of 30 consecutive days or 60 days in any twelve month period. Any refusal by Employee to submit to a reasonable medical examination to determine whether Employee is so disabled shall be deemed to constitute conclusive evidence of Employee's disability.

(ii) *For Cause* . Immediately upon written notice from Employer specifying that one or more of the following events has occurred (except that Employee shall have 30 days after such notice to cure or otherwise resolve the occurrence of the events set forth in paragraphs 3, 4 or 5):

- (1) Employee is convicted of fraud, bribery, embezzlement or other material dishonesty with the respect to the business of Employer, or Employer discovers that Employee has been convicted of any such act in the past with respect to a previous employer; or

(iii) *By Employee for Good Reason* . Employee may terminate his employment hereunder for Good Reason upon written notice to the Company setting forth the nature of such Good Reason in reasonable detail (except that Employer shall have 15 days after such notice to cure or otherwise resolve the occurrence of the events set forth in paragraphs 1, 2, 3). "Good Reason" shall mean:

- (1) Employer commits a material breach of any of the covenants, representations, terms or provisions hereof or fails to provide Employee the Base Salary and incentive compensation and benefits in accordance with the terms of Section 4 herein; or

- (4) at any time upon written notice by Employee to Employer within 12 months after (A) a merger or consolidation of Employer with any person; or (B) the sale, lease, or other disposition of all or substantially all of Employer's assets to any person; unless in each case, the board of directors or other governing body of the surviving person or acquirer, as the case may be, is the same as the Board immediately before such transaction; or
- (5) the acquisition by any person of voting securities constituting 51% or more of the outstanding voting securities issued by Employer or the right to elect, by ownership of voting securities or otherwise, more than 51% of the persons that make up the Board.

(iv) *Voluntary Termination*. Either Party may voluntarily terminate the employment of Employee upon thirty (30) days' written notice to the other. Any such termination by Employer shall be without Cause if the notice of termination fails to specify one of the reasons set forth in Section 6(a)(ii) (or if any such reason is specified that may be cured by Employee has been cured within the applicable cure period). Any such termination by Employee shall be without Good Reason if the notice of termination fails to specify one of the reasons set forth in Section 6(a)(iii) (or if any such reason is specified that may be cured by Employer has been cured within the applicable cure period).

(b) *Severance Benefits* .

(i) In the event that Employee's employment hereunder is terminated as a result of Employee's death or disability pursuant to Section 6(a)(i), Employer shall pay Employee (or his estate) a cash amount equal to Employee's Base Salary for the lesser of (A) the period prior to the commencement of benefits under any death or disability insurance provided by Employer; or (B) the remaining term of this Agreement or sixty (60) days from the date of such death or disability, whichever is greater. In addition to the payment under the first sentence of this subsection, Employer shall pay all unpaid expense reimbursements under Section 5 for expenses incurred in accordance with the terms hereof prior to termination and compensation and all accrued and unused vacation time as of the date of termination.

(ii) In the event that Employee's employment hereunder is terminated by Employer for Cause pursuant to Section 6(a)(ii), Employee provides Employer notice that Employee that the Agreement will not be renewed for any Extension Term, or voluntarily by Employee pursuant to Section 6(a)(iv), Employer shall have no obligation to make any payments to Employee except for payments of Employee's Base Salary accruing prior to the date of termination.

(iii) In the event that Employee's employment hereunder is terminated by Employee for Good Reason pursuant to Section 6(a)(iii), Employer provides Employee with notice that the Agreement will not be renewed for any Extension Term, or voluntarily by Employer pursuant to Section 6(a)(iv), Employer shall pay Employee a cash amount equal to Employee's Base Salary for a period of twelve (12) months plus one (1) month for each year of employment by Employer; (B) Employer shall continue coverage under Employer's group health, life and disability plan and contribute the Employer's cost of such coverage for a period of twelve (12) months plus one (1) month for each year of employment by Employer (or pay such amount to Employee as reimbursement for the costs of continuing coverage under COBRA or obtaining comparable independent coverage); and (C) all options, grants, or other rights issued to Employee under Employer's Stock Compensation Plan, incentive compensation plan, or other benefit plans shall immediately vest and be exercisable for the lesser of twelve (12) months plus one (1) month for each year of employment by Employer or the remaining term of such rights, whichever is less. For the purposes of this paragraph 6(b)(iii), Employee will be deemed to have been employed by Employer on January 1, 2015.

Section 7 . Inventions; Assignment.

(a) *Inventions Defined* . All rights to discoveries, inventions, improvements, designs and innovations (including all data and records pertaining thereto) that relate to the business of Employer, including its Affiliates, whether or not able to be patented, copyrighted or reduced to writing, that Employee may discover, invent or originate during the term of his employment hereunder, and for a period of six (6) months thereafter, either alone or with others and whether or not during working hours or by the use of the facilities of Employer (“Inventions”), shall be the exclusive property of Employer. Employee shall promptly disclose all Inventions to Employer, shall execute at the request of Employer any assignments or other documents Employer may deem necessary to protect or perfect its rights therein, and shall assist Employer, at Employer’s expense, in obtaining, defending and enforcing Employer’s rights therein. Employee hereby appoints Employer as his attorney-in-fact to execute on his behalf any assignments or other documents deemed necessary by Employer to protect or perfect its rights to any Inventions.

(b) *Covenant to Assign and Cooperate* . Without limiting the generality of the foregoing, Employee shall assign and transfer to Employer the worldwide right, title and interest of Employee in the Inventions. Employee agrees that Employer may apply for and receive patent rights (including Letters Patent in the United States) for the Inventions in Employer’s name in such countries as may be determined solely by Employer. Employee shall communicate to Employer all facts known to Employee relating to the Inventions and shall cooperate with Employer’s reasonable requests in connection with vesting title to the Inventions and related patents exclusively in Employer and in connection with obtaining, maintaining and protecting Employer’s exclusive patent rights in the Inventions.

(c) *Successors and Assigns* . Employee’s obligations under this Section 7 shall inure to the benefit of Employer, its Affiliates and their respective successors and assigns and shall survive the expiration of the term of this Agreement for such time as may be necessary to protect the proprietary rights of Employer and its Affiliates in the Inventions.

Section 8 . Confidential Information.

(a) *Acknowledgment of Proprietary Interest* . Employee acknowledges the proprietary interest of Employer and its Affiliates in all Confidential Information (as defined below). Employee agrees that all Confidential Information learned by Employee during his employment with Employer or otherwise, whether developed by Employee alone or in conjunction with others or otherwise, is and shall remain the exclusive property of Employer. Employee further acknowledges and agrees that his disclosure of any Confidential Information will result in irreparable injury and damage to Employer.

(b) *Confidential Information Defined* . “Confidential Information” means all trade secrets, copyrightable works, confidential or proprietary information of Employer or its Affiliates, including without limitation, (i) information derived from reports, investigations, experiments, research and work in progress, (ii) methods of operation, (iii) market data, (iv) proprietary computer programs and codes, (v) drawings, designs, plans and proposals, (vi) marketing and sales programs, (vii) the identities of clients or customers, (viii) historical financial information and financial projections, (ix) pricing formulae and policies, (x) all other concepts, ideas, materials and information prepared or performed for or by Employer and (xi) all information related to the business, services, products, purchases or sales of Employer or any of its suppliers and customers, other than information that is publicly available.

(c) *Covenant Not To Divulge Confidential Information* . Employer is entitled to prevent the disclosure of Confidential Information. As a portion of the consideration for the employment of Employee and for the compensation being paid to Employee by Employer, Employee agrees to hold in strict confidence and not to disclose or allow to be disclosed to any person, firm or corporation, other than to persons engaged by Employer to further the business of Employer, and not to use except in the pursuit of the business of Employer, the Confidential Information, without the prior written consent of Employer.

(d) *Return of Materials at Termination* . In the event of any termination or cessation of his employment with Employer for any reason, Employee shall promptly deliver to Employer all documents, data and other information derived from or otherwise pertaining to Confidential Information. Employee shall not take or retain any documents or other information, or any reproduction or excerpt thereof, containing or pertaining to any Confidential Information.

Section 9 . Non-Solicitation.

(a) *Solicitation of Employees* . During Employee's employment with Employer and for a period equal to the greater of (i) twelve (12) months after termination of such employment at any time and for any reason, or (ii) the term of any severance benefits payable under Section 6 hereof, Employee shall not solicit, participate in or promote the solicitation of any person who was employed by Employer or any of its Affiliates at the time of Employee's termination of employment with Employer to leave the employ of Employer or any of its Affiliates, or, on behalf of himself or any other person, hire, employ or engage any such person. Employee further agrees that, during such time, if an employee of Employer or any of its Affiliates contacts Employee about prospective employment, Employee will inform such employee that he or she cannot discuss the matter further without the consent of Employer (and the applicable affiliate).

(b) *Solicitation of Clients, Customers, Etc* . During Employee's employment with Employer and for a period of twelve (12) months after termination of Employee's employment at any time and for any reason, Employee shall not, directly or indirectly, solicit any person who either during any portion of the time of Employee's employment or at the time of termination of Employee's employment with Employer, was a client, customer, policyholder, vendor, consultant or agent of Employer or its Affiliates to discontinue business, in whole or in part, with Employer or its Affiliates. Employee further agrees that, during such time, if such a client, customer, policyholder, vendor, or consultant or agent contacts Employee about discontinuing business with Employer or moving that business elsewhere, Employee will inform such client, customer, policyholder, vendor, consultant or agent that he or she cannot discuss the matter further without the consent of Employer (and the applicable affiliate).

Section 10 . Non-Compete. Employer agrees to disclose to Employee and Employee agrees to receive from Employer Confidential Information (as set forth above) which would provide competitors of Employer with an unfair advantage. In consideration for such disclosure by Employer, Employee agrees as follows:

(a) *Competition During Employment* . Employee agrees that during the term of his employment with Employer, neither he nor any of his Affiliates (Employee's Affiliates is defined as any legal entity in which Employee owns, controls, holds a financial interest in or is the beneficiary of) will directly or indirectly compete with Employer or its Affiliates in any way in any business in which Employer or its Affiliates is engaged or intends to engage, and that he will not act as an officer, director, employee, consultant, shareholder, lender, or agent of any entity which is engaged in any business of the same nature as, or in competition with, the businesses in which Employer and its Affiliates are now engaged or in which Employer or its Affiliates become engaged during the term of employment; provided, however, that this Section 10(a) shall not prohibit Employee or any of his Affiliates from purchasing or holding an aggregate equity interest of up to 10% in any publicly traded business in competition with Employer and its Affiliates, so long as Employee and his Affiliates combined do not purchase or hold an aggregate equity interest of more than 10%. Furthermore, Employee agrees that during the term of employment, he will not accept any board of director seat or officer role or undertake any planning for the organization of any business activity competitive with Employer and Employee will not combine or conspire with any other employees of Employer and its Affiliates for the purpose of the organization of any such competitive business activity.

(b) *Competition Following Employment* . In order to protect Employer against the unauthorized use or the disclosure of any Confidential Information of Employer and its Affiliates presently known or hereinafter obtained by Employee during his employment under this Agreement, Employee agrees that for a period equal to the greater of (i) twelve (12) months after the termination or cessation of his employment with Employer at any time and for any reason, other than cessation of his employment caused by Employer's filing for reorganization under the bankruptcy laws of the United States, and regardless of whether any payments are made to Employee under this Agreement as a result of such termination, or (ii) the period for which any severance benefits are payable under Section 6 hereof, neither Employee nor any of his Affiliates, shall, directly or indirectly, for itself or himself or on behalf of any other corporation, person, firm, partnership, association, or any other entity (whether as an individual, agent, servant, employee, employer, officer, director, shareholder, investor, principal, consultant or in any other capacity):

Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in its terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

(g) *Counterparts* . This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

(h) *Captions* . The captions in this Agreement are for convenience of reference only and shall not limit or otherwise affect any of the terms or provisions hereof.

(i) *Interpretation of Agreement* . This Agreement shall be construed according to its fair meaning and not for or against either party. The Parties have each been represented by counsel (or advised of their right to be represented by counsel and waived such right) and have participated in the drafting of this Agreement. No rule of construction or interpretation shall be applied that construes any provision against a Party because it was drafted by such Party. Use of the words “herein,” “hereof,” “hereto,” “hereunder” and the like in this Agreement refer to this Agreement only as a whole and not to any particular section or subsection of this Agreement, unless otherwise noted. The masculine gender shall be deemed to denote the feminine or neuter genders, the singular to denote the plural, and the plural to denote the singular, where the context so permits.

If the parties are unable to agree on a mediator, either party may petition a Bexar County state district court judge for assistance in selecting a mediator. Arbitration under this Agreement shall be governed by the Federal Arbitration Act and proceed in San Antonio, Texas in accordance with the rules of the American Arbitration Association (“AAA”). Arbitration will be conducted before a panel of three neutral arbitrators selected from an AAA list of proposed arbitrators with business law experience. Either party may take any legal action needed to protect any right pending completion of the arbitration. The arbitrator will determine whether an issue is arbitrable and will give effect to applicable statutes of limitation. The arbitrator has the discretion to decide, upon documents only or with a hearing, any motion to dismiss for failure to state a claim or any motion for summary judgment. Discovery shall be governed by the Federal Rules of Civil Procedure and the Federal Rules of Evidence. All information developed by the arbitration or litigation shall be held in confidence subject to such protective orders as the arbitrator deems useful to ensure complete confidentiality. The decision of the arbitrator shall be final and binding on all parties to this Agreement, and judgment thereon may be entered in any court having jurisdiction over the parties. THIS EMPLOYMENT AGREEMENT (“Agreement”), executed this 14th day of February 2019 (the “Effective Date”) is between Digerati Technologies, Inc., a Nevada corporation (the “Employer” or “Company”), and Antonio Estrada Jr., an individual resident of the State of Texas (“Employee”).

RECITALS:

- A. Employer considers the maintenance of a sound and effective management team, including Employee, essential to protecting and enhancing its best interests and those of its stockholders.
- B. Employer desires to offer employment to Employee and Employee desires to be employed by Employer.
- C. Employer and Employee agree to enter into an Employment Agreement providing for a one-year term with automatic annual renewal on the terms and conditions herein provided.

NOW, THEREFORE, in consideration of Employer’s agreement to employ Employee pursuant to the terms of this Agreement and Employee’s future employment with Employer, and other good and valuable consideration, the parties agree as follows:

Section 1 . Employment. Employer hereby employs Employee, and Employee hereby accepts employment, upon the terms and subject to the conditions stated in this Agreement.

Section 2 . Duties. Employee shall be employed as the Chief Financial Officer of Employer (the “CFO”), or such other positions with Employer to which he may be appointed by the Chief Executive Officer (the “CEO”) or Board of Directors of Employer. Employee shall have such duties and responsibilities as are normally associated with the foregoing position and such additional duties and responsibilities as he may be assigned from time to time by the CEO or Board of Directors. It is understood that Employee may be appointed as an officer and requested from time to time to provide assistance or services to subsidiary and affiliated companies of Employer or other company that are wholly or partially owned by Employer (each an “Affiliate”). Employee shall perform such services without additional compensation other than the compensation set forth in this Agreement. Employee agrees to devote his full work time and best efforts to the performance of the duties as an employee of Employer and to the performance of such other duties as assigned him from time to time by Employer.

Section 3 . Term. The Agreement shall commence on the Effective Date and continue until the last day of the Company’s fiscal year following the one-year anniversary of the Effective Date (the “Initial Term”). Unless Employer or Employee shall provide the other with at least 60 days written notice, this Agreement shall automatically renew thereafter on the first day of each fiscal year of Employer for an additional one-year term commencing on such first day of each fiscal year and continuing until the last day of such fiscal year (each, an “Extension Term” and together with the Initial Term, the “Employment Period”). The foregoing notwithstanding, the Employment Period may be terminated early in accordance with Section 6 of this Agreement.

Section 4 . Compensation and Benefits. In consideration for the services of Employee hereunder, Employer shall compensate Employee as follows during the Employment Period:

(a) *Base Salary* . Employer shall pay Employee a base salary at the rate of at least \$185,000 per year, payable in accordance with the regular payroll practices of Employer for executives. The Base Salary shall be reviewed annually by the CEO during the first quarter of each fiscal year and shall be increased by such amount as the CEO shall deem appropriate effective as of the first day of such fiscal year; provided that such increase shall be in an amount of not less than the increase, if any, in the Consumer Price Index as of the previous December 31 using 2017 as the base year. The Base Salary may not be decreased at any time during the Employment Period, but during the Initial Term and at the option of the Employee, Employee may accept up to 50% (or any other amount mutually agreed to by the Employee and Employer) of the base salary in common stock of the Company in lieu of cash.

(b) *Stock Grant* . Employee shall receive at the execution of this Agreement 350,000 shares of common stock. The Stock Grant shall vest upon the earlier of the Company achieving \$15 million in annualized revenue or listing on a primary stock exchange (e.g. NASDAQ or NYSE American) and will be subject to adjustment for any forward or reverse split of the Company's stock.

(c) *Stipend*. Employee shall receive a 1% stipend on revenue from acquisition transactions approved by the Board of Directors and closed by the Company as of January 1, 2018. Acquisition revenue will be calculated based on the trailing twelve months (TTM) revenue of the company or assets (stock or asset purchase) acquired by the Company. The stipend for acquisitions will be capped at 200% of the annual base salary for the employee. The Employee may elect to receive common stock in the Company in lieu of a cash payment for the acquisition stipend or apply the stipend towards the exercise of vested stock options in a cash-less transaction. The stipend shall be considered fully earned at the closing of each acquisition and paid within 10 business days from such event. For acquisition transactions closed prior to the signing of this Agreement, the stipend shall be paid within 6 months of the signing of this Agreement or under terms mutually agreed upon between Employee and Employer. The stipend for acquisitions is subject to review and approval by the Board of Directors of the Company on an annual basis commencing August 1, 2019.

(d) *Stipend*. Employee shall receive a one-time payment of \$60,000 upon the Company listing on a primary stock exchange (e.g. NASDAQ or NYSE American). The Employee may elect to receive common stock in the Company in lieu of a cash payment for this up-listing stipend or apply the stipend towards the exercise of vested stock options in a cash-less transaction. The stipend shall be considered fully earned upon initial listing in a primary stock exchange and paid within 10 business days from such event.

(e) *Signing Bonus Stock Options*. Employee shall receive 520,000 stock options as of the effective date of this agreement. The stock options will vest equally over a period of 12 months from the issuance date.

(f) *Additional Compensation*. In the event of a Spin-Off (as defined below), Employee shall be entitled to receive 1.25% of the consideration payable to, and/or received by, the Company or its shareholders in a Spin-Off (calculated and paid from the total shares or cash to be distributed), which payment shall be made to Employee on the closing of the Spin-Off date. A "Spin-Off" means the sale of a subsidiary or distribution of shares of capital stock to the shareholders of the Company that the Company owns in a subsidiary, whether it is 100% of the ownership or a lesser amount.

(g) *Executive Bonus Plan*. Employee shall be eligible to receive from Employer such management incentive bonuses as may be provided in management incentive bonus plans adopted from time to time by Employer or approved by the CEO or Board of Directors of the Company.

(h) *Stock Options*. Employee shall participate in the stock compensation plan adopted by the Board to provide management and employees with long-term stock-based compensation. The number and terms of any options or other stock compensation granted to Employee under the stock compensation plan shall be determined by the Board in its discretion.

(i) *Vacation*. Employee shall be entitled time off in accordance with Employee's vacation and absence policy, as it may be modified from time to time during Employee's employment hereunder; provided that Employee will have no less than three (3) weeks of paid vacation during the Initial Term or any Extension Term of this Agreement. Any time off not used within the Initial Term or any Extension Term shall be accumulated and may be used during any subsequent Extension Term up to an aggregate amount of five (5) weeks during any Extension Term.

(j) *Group Insurance Benefits*. Employee shall be entitled to participate in Employer's group health, life and disability programs as are made available to Employer's other executives and Employee's participation in such programs shall be at the same rates that are available to Employer's other executives. Nothing herein shall be deemed to require Employer to adopt and maintain a group health, life and disability program or to limit or prohibit Employer's right to amend or terminate any group health, life or disability program adopted by Employer.

(k) *Savings Plans*. Employee shall be entitled to participate in Employer's 401(k) savings plan, profit sharing plan, or other retirement or savings plans as are made available to Employer's other executives on the same terms that are available to Employer's other executives. Nothing herein shall be deemed to require Employer to adopt and maintain a 401(k) savings plan or other retirement or savings plans or to limit or prohibit Employer's right to amend or terminate any 401(k) savings plan or other retirement or savings plans adopted by Employer.

Section 5 . Expenses. The parties anticipate that in connection with the services to be performed by Employee pursuant to the terms of this Agreement, Employee will be required to make payments for travel, entertainment of business associates and similar expenses. Employer shall reimburse Employee for all appropriate and reasonable expenses authorized by Employer and incurred by Employee in the performance of his duties hereunder. Employee shall comply with such budget limitations and approval and reporting requirements with respect to expenses as Employer may establish from time to time.

Section 6 . Termination.

(a) *General* . Employee's employment hereunder shall commence on the Effective Date and continue until the end of the Employment Period, except that the employment of Employee hereunder shall terminate prior to such time in accordance with the following:

(i) *Death or Disability* . Upon the death of Employee during the Employment Period or, at the option of Employer, in the event of Employee's Disability, upon 30 days' notice to Employee. "Disability" with respect to Employee shall be deemed to exist if Employee meets the definition of either "disabled" or "disability" under the terms of Employer's long-term disability benefit program (including the definitions for total or partial disability) or if there is no such definition or program, if Employee is unable to perform his obligations under this Agreement for a period of 30 consecutive days or 60 days in any twelve month period. Any refusal by Employee to submit to a reasonable medical examination to determine whether Employee is so disabled shall be deemed to constitute conclusive evidence of Employee's disability.

(ii) *For Cause* . Immediately upon written notice from Employer specifying that one or more of the following events has occurred (except that Employee shall have 30 days after such notice to cure or otherwise resolve the occurrence of the events set forth in paragraphs 3, 4 or 5):

(iii) *By Employee for Good Reason*. Employee may terminate his employment hereunder for Good Reason upon written notice to the Company setting forth the nature of such Good Reason in reasonable detail (except that Employer shall have 15 days after such notice to cure or otherwise resolve the occurrence of the events set forth in paragraphs 1, 2, 3). "Good Reason" shall mean:

- (1) Employer commits a material breach of any of the covenants, representations, terms or provisions hereof or fails to provide Employee the Base Salary and incentive compensation and benefits in accordance with the terms of Section 4 herein; or

- (4) at any time upon written notice by Employee to Employer within 12 months after (A) a merger or consolidation of Employer with any person; or (B) the sale, lease, or other disposition of all or substantially all of Employer's assets to any person; unless in each case, the board of directors or other governing body of the surviving person or acquirer, as the case may be, is the same as the Board immediately before such transaction; or
- (5) the acquisition by any person of voting securities constituting 51% or more of the outstanding voting securities issued by Employer or the right to elect, by ownership of voting securities or otherwise, more than 51% of the persons that make up the Board.

(iv) *Voluntary Termination*. Either Party may voluntarily terminate the employment of Employee upon thirty (30) days' written notice to the other. Any such termination by Employer shall be without Cause if the notice of termination fails to specify one of the reasons set forth in Section 6(a)(ii) (or if any such reason is specified that may be cured by Employee has been cured within the applicable cure period). Any such termination by Employee shall be without Good Reason if the notice of termination fails to specify one of the reasons set forth in Section 6(a)(iii) (or if any such reason is specified that may be cured by Employer has been cured within the applicable cure period).

(b) *Severance Benefits* .

(i) In the event that Employee's employment hereunder is terminated as a result of Employee's death or disability pursuant to Section 6(a)(i), Employer shall pay Employee (or his estate) a cash amount equal to Employee's Base Salary for the lesser of (A) the period prior to the commencement of benefits under any death or disability insurance provided by Employer; or (B) the remaining term of this Agreement or sixty (60) days from the date of such death or disability, whichever is greater. In addition to the payment under the first sentence of this subsection, Employer shall pay all unpaid expense reimbursements under Section 5 for expenses incurred in accordance with the terms hereof prior to termination and compensation and all accrued and unused vacation time as of the date of termination.

(ii) In the event that Employee's employment hereunder is terminated by Employer for Cause pursuant to Section 6(a)(ii), Employee provides Employer notice that the Agreement will not be renewed for any Extension Term, or voluntarily by Employee pursuant to Section 6(a)(iv), Employer shall have no obligation to make any payments to Employee except for payments of Employee's Base Salary accruing prior to the date of termination.

(iii) In the event that Employee's employment hereunder is terminated by Employee for Good Reason pursuant to Section 6(a)(iii), Employer provides Employee with notice that the Agreement will not be renewed for any Extension Term, or voluntarily by Employer pursuant to Section 6(a)(iv), Employer shall pay Employee a cash amount equal to Employee's Base Salary for a period of twelve (12) months plus one (1) month for each year of employment by Employer; (B) Employer shall continue coverage under Employer's group health, life and disability plan and contribute the Employer's cost of such coverage for a period of twelve (12) months plus one (1) month for each year of employment by Employer (or pay such amount to Employee as reimbursement for the costs of continuing coverage under COBRA or obtaining comparable independent coverage); and (C) all options, grants, or other rights issued to Employee under Employer's Stock Compensation Plan, incentive compensation plan, or other benefit plans shall immediately vest and be exercisable for the lesser of twelve (12) months plus one (1) month for each year of employment by Employer or the remaining term of such rights, whichever is less. For the purposes of this paragraph 6(b)(iii), Employee will be deemed to have been employed by Employer on January 1, 2015.

Section 7 . *Inventions; Assignment* .

(a) *Inventions Defined* . All rights to discoveries, inventions, improvements, designs and innovations (including all data and records pertaining thereto) that relate to the business of Employer, including its Affiliates, whether or not able to be patented, copyrighted or reduced to writing, that Employee may discover, invent or originate during the term of his employment hereunder, and for a period of six (6) months thereafter, either alone or with others and whether or not during working hours or by the use of the facilities of Employer ("Inventions"), shall be the exclusive property of Employer. Employee shall promptly disclose all Inventions to Employer, shall execute at the request of Employer any assignments or other documents Employer may deem necessary to protect or perfect its rights therein, and shall assist Employer, at Employer's expense, in obtaining, defending and enforcing Employer's rights therein. Employee hereby appoints Employer as his attorney-in-fact to execute on his behalf any assignments or other documents deemed necessary by Employer to protect or perfect its rights to any Inventions.

(b) *Covenant to Assign and Cooperate* . Without limiting the generality of the foregoing, Employee shall assign and transfer to Employer the worldwide right, title and interest of Employee in the Inventions. Employee agrees that Employer may apply for and receive patent rights (including Letters Patent in the United States) for the Inventions in Employer's name in such countries as may be determined solely by Employer. Employee shall communicate to Employer all facts known to Employee relating to the Inventions and shall cooperate with Employer's reasonable requests in connection with vesting title to the Inventions and related patents exclusively in Employer and in connection with obtaining, maintaining and protecting Employer's exclusive patent rights in the Inventions.

(c) *Successors and Assigns* . Employee's obligations under this Section 7 shall inure to the benefit of Employer, its Affiliates and their respective successors and assigns and shall survive the expiration of the term of this Agreement for such time as may be necessary to protect the proprietary rights of Employer and its Affiliates in the Inventions.

Section 8 . Confidential Information.

(a) *Acknowledgment of Proprietary Interest* . Employee acknowledges the proprietary interest of Employer and its Affiliates in all Confidential Information (as defined below). Employee agrees that all Confidential Information learned by Employee during his employment with Employer or otherwise, whether developed by Employee alone or in conjunction with others or otherwise, is and shall remain the exclusive property of Employer. Employee further acknowledges and agrees that his disclosure of any Confidential Information will result in irreparable injury and damage to Employer.

(b) *Confidential Information Defined* . "Confidential Information" means all trade secrets, copyrightable works, confidential or proprietary information of Employer or its Affiliates, including without limitation, (i) information derived from reports, investigations, experiments, research and work in progress, (ii) methods of operation, (iii) market data, (iv) proprietary computer programs and codes, (v) drawings, designs, plans and proposals, (vi) marketing and sales programs, (vii) the identities of clients or customers, (viii) historical financial information and financial projections, (ix) pricing formulae and policies, (x) all other concepts, ideas, materials and information prepared or performed for or by Employer and (xi) all information related to the business, services, products, purchases or sales of Employer or any of its suppliers and customers, other than information that is publicly available.

(c) *Covenant Not To Divulge Confidential Information* . Employer is entitled to prevent the disclosure of Confidential Information. As a portion of the consideration for the employment of Employee and for the compensation being paid to Employee by Employer, Employee agrees to hold in strict confidence and not to disclose or allow to be disclosed to any person, firm or corporation, other than to persons engaged by Employer to further the business of Employer, and not to use except in the pursuit of the business of Employer, the Confidential Information, without the prior written consent of Employer.

(d) *Return of Materials at Termination* . In the event of any termination or cessation of his employment with Employer for any reason, Employee shall promptly deliver to Employer all documents, data and other information derived from or otherwise pertaining to Confidential Information. Employee shall not take or retain any documents or other information, or any reproduction or excerpt thereof, containing or pertaining to any Confidential Information.

Section 9 . Non-Solicitation.

(a) *Solicitation of Employees* . During Employee's employment with Employer and for a period equal to the greater of (i) twelve (12) months after termination of such employment at any time and for any reason, or (ii) the term of any severance benefits payable under Section 6 hereof, Employee shall not solicit, participate in or promote the solicitation of any person who was employed by Employer or any of its Affiliates at the time of Employee's termination of employment with Employer to leave the employ of Employer or any of its Affiliates, or, on behalf of himself or any other person, hire, employ or engage any such person. Employee further agrees that, during such time, if an employee of Employer or any of its Affiliates contacts Employee about prospective employment, Employee will inform such employee that he or she cannot discuss the matter further without the consent of Employer (and the applicable affiliate).

(b) *Solicitation of Clients, Customers, Etc* . During Employee's employment with Employer and for a period of twelve (12) months after termination of Employee's employment at any time and for any reason, Employee shall not, directly or indirectly, solicit any person who either during any portion of the time of Employee's employment or at the time of termination of Employee's employment with Employer, was a client, customer, policyholder, vendor, consultant or agent of Employer or its Affiliates to discontinue business, in whole or in part, with Employer or its Affiliates. Employee further agrees that, during such time, if such a client, customer, policyholder, vendor, or consultant or agent contacts Employee about discontinuing business with Employer or moving that business elsewhere, Employee will inform such client, customer, policyholder, vendor, consultant or agent that he or she cannot discuss the matter further without the consent of Employer (and the applicable affiliate).

Section 10 . Non-Compete. Employer agrees to disclose to Employee and Employee agrees to receive from Employer Confidential Information (as set forth above) which would provide competitors of Employer with an unfair advantage. In consideration for such disclosure by Employer, Employee agrees as follows:

(a) *Competition During Employment* . Employee agrees that during the term of his employment with Employer, neither he nor any of his Affiliates (Employee's Affiliates is defined as any legal entity in which Employee owns, controls, holds a financial interest in or is the beneficiary of) will directly or indirectly compete with Employer or its Affiliates in any way in any business in which Employer or its Affiliates is engaged or intends to engage, and that he will not act as an officer, director, employee, consultant, shareholder, lender, or agent of any entity which is engaged in any business of the same nature as, or in competition with, the businesses in which Employer and its Affiliates are now engaged or in which Employer or its Affiliates become engaged during the term of employment; provided, however, that this Section 10(a) shall not prohibit Employee or any of his Affiliates from purchasing or holding an aggregate equity interest of up to 10% in any publicly traded business in competition with Employer and its Affiliates, so long as Employee and his Affiliates combined do not purchase or hold an aggregate equity interest of more than 10%. Furthermore, Employee agrees that during the term of employment, he will not accept any board of director seat or officer role or undertake any planning for the organization of any business activity competitive with Employer and Employee will not combine or conspire with any other employees of Employer and its Affiliates for the purpose of the organization of any such competitive business activity.

(b) *Competition Following Employment* . In order to protect Employer against the unauthorized use or the disclosure of any Confidential Information of Employer and its Affiliates presently known or hereinafter obtained by Employee during his employment under this Agreement, Employee agrees that for a period equal to the greater of (i) twelve (12) months after the termination or cessation of his employment with Employer at any time and for any reason, other than cessation of his employment caused by Employer's filing for reorganization under the bankruptcy laws of the United States, and regardless of whether any payments are made to Employee under this Agreement as a result of such termination, or (ii) the period for which any severance benefits are payable under Section 6 hereof, neither Employee nor any of his Affiliates, shall, directly or indirectly, for itself or himself or on behalf of any other corporation, person, firm, partnership, association, or any other entity (whether as an individual, agent, servant, employee, employer, officer, director, shareholder, investor, principal, consultant or in any other capacity):

(i) engage or participate in any business which engages in competition with such businesses being conducted by Employer or any of its Affiliates during the term of employment anywhere in any state in the United States or in any foreign country where Employer or any of its Affiliates is engaged; or

(ii) assist or finance any person or entity in any manner or in any way inconsistent with the intents and purposes of this Agreement.

Section 11 . General.

(c) *Equitable Remedies* . Each of the parties hereto acknowledges and agrees that upon any breach by Employee of his obligations under any of Sections 7, 8, 9, and 10 Employer shall suffer immediate, great and irreparable injury and shall have no adequate remedy at law. Accordingly, in event of such breach or threatened breach, Employer shall be entitled, in addition to other remedies and without showing actual damages, to specific performance and other appropriate injunctive and equitable relief. Employer shall not be obligated to provide a bond for any such injunction.

(d) *Severability* . If any provision of this Agreement is held to be illegal, invalid or unenforceable, such provision shall be modified as to duration or geography to the minimum extent necessary to make it legal, valid and enforceable and as so modified enforced. If any such provision cannot be modified to be made legal, valid and enforceable, such provisions shall be fully severable, and this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision never comprised a part hereof, and the remaining provisions hereof shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in its terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

(e) *Effect on Other Agreements*. This Agreement modifies and amends, to the extent necessary to give effect to the provisions hereof, any Stock Option Agreement, Stock Grant, or other contract relating to the issuance of benefits under Employer's benefit plans.

(f) *Waivers* . No delay or omission by either party in exercising any right, power or privilege hereunder shall impair such right, power or privilege, nor shall any single or partial exercise of any such right, power or privilege preclude any further exercise thereof or the exercise of any other right, power or privilege.

(g) *Counterparts* . This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

(h) *Captions* . The captions in this Agreement are for convenience of reference only and shall not limit or otherwise affect any of the terms or provisions hereof.

(i) *Interpretation of Agreement* . This Agreement shall be construed according to its fair meaning and not for or against either party. The Parties have each been represented by counsel (or advised of their right to be represented by counsel and waived such right) and have participated in the drafting of this Agreement. No rule of construction or interpretation shall be applied that construes any provision against a Party because it was drafted by such Party. Use of the words “herein,” “hereof,” “hereto,” “hereunder” and the like in this Agreement refer to this Agreement only as a whole and not to any particular section or subsection of this Agreement, unless otherwise noted. The masculine gender shall be deemed to denote the feminine or neuter genders, the singular to denote the plural, and the plural to denote the singular, where the context so permits.

(j) *Binding Agreement ; Assignment* . This Agreement shall be binding upon and inure to the benefit of the parties and shall be enforceable by the personal representatives and heirs of Employee and the successors and assigns of Employer. The Affiliates of Employer shall be considered third party beneficiaries of this Agreement with respect to any services provided by Employee to them and in connection with Employee’s covenants in Sections 7, 8, 9 and 10 hereof. Employer may assign this Agreement to any person. If Employee dies while any amounts would still be payable to him hereunder, such amounts shall be paid to Employee’s estate. This Agreement is not otherwise assignable by Employee.

(k) *Entire Agreement* . This Agreement contains the entire understanding of the parties, supersedes all prior agreements and understandings relating to the subject matter hereof and may not be amended except by a written instrument hereafter signed by each of the parties hereto.

(l) *Governing Law* . This Agreement and the performance hereof shall be construed and governed in accordance with the laws of the State of Texas, without regard to its choice of law principles.

(m) *Arbitration* . Without limiting Employer’s right to seek equitable remedies under Section 11(c) above, Employer and Employee agree that any dispute or controversy arising under or in connection with this Agreement shall be settled first by attendance at a mandatory mediation process and, if not resolved by mediation, by arbitration. If the parties are unable to agree on a mediator, either party may petition a Bexar County state district court judge for assistance in selecting a mediator. Arbitration under this Agreement shall be governed by the Federal Arbitration Act and proceed in San Antonio, Texas in accordance with the rules of the American Arbitration Association (“AAA”). Arbitration will be conducted before a panel of three neutral arbitrators selected from an AAA list of proposed arbitrators with business law experience. Either party may take any legal action needed to protect any right pending completion of the arbitration. The arbitrator will determine whether an issue is arbitrable and will give effect to applicable statutes of limitation.
