KIDS & FAMILY

An infographic with an orange circular background. At the top, the text 'KIDS & FAMILY' is written in large white letters. Below it, two orange circles represent heads, and a large orange shape represents a body. A teal stick figure with arms raised is positioned in front of the orange body. Two orange paper clips are attached to the sides of the orange body. On the left clip is a tag with the number '40' and the text 'CHILD DEDICATIONS'. On the right clip is a tag with the number '218' and the text 'VOLUNTEERS WELCOME, SERVE, AND KEEP OUR KIDS SAFE.'. At the bottom, a white rectangular box with a ruler-like edge on the right contains the text 'OUR COMBINED KIDS PROGRAMS GREW 14%'.
