## Coming in 2013...

Vision for the new year... and beyond.

We will add one more **full-time staff member**, to ensure we are meeting the spiritual needs of our growing church

We're launching a **GLC 201** class for those wanting to learn about and implement life-changing spiritual habits

GLC is **EXPANDING** office space, to make room for a central support center and 100 person meeting spot

Our Growth Groups will actively participate in **local mission projects** and look for ways to be involved in our communities

We'll invest more resources into creating **safer** and more exciting kids' environments that ensure our children have a fun **place to experience God**

We're creating a **GLC 301** class for those wanting to grow in their understanding of essential Christian beliefs
