

**Jesus also said:**

**The kingdom of heaven is like what happens when a woman mixes a little yeast into three big batches of flour. Finally, all the dough rises.**

**Matthew 13:33**

Each of these pictures is a step in making bread with yeast.

1. Colour in this sheet.
2. Write the numbers 2-5 in the circles, in order of which step comes next

**Option 1. Draw yourself in the middle circle.**

**Around the outside, draw people or write names of people Jesus wants you to bless / influence! Pray for them!**

**Option 2. Drop a drop of watery-paint in the middle circle. Using your breath (or a straw!), how far can you spread the colour around the page? Pray that like yeast and the colour, the love of Jesus would spread out from you and your family!**
