**Finding Comfort in Difficult Times**

***“Turn to me and be gracious to me, for I am lonely and afflicted. Relieve the troubles of my heart and free me from my anguish.”***

**— Psalm 25:16-17**

Life often brings seasons of difficulty, loneliness, and sorrow that weigh heavy on our hearts. In these moments, it's easy to feel isolated and overwhelmed, unsure of where to turn for comfort. Yet, in Psalm 25:16-17, David reminds us that God is not only aware of our pain but is also ready to meet us with grace, compassion, and healing. These verses offer us a beautiful example of what it looks like to cry out to God in the midst of affliction, trusting Him to provide relief and comfort when our hearts are troubled.

David's words, *“Turn to me and be gracious to me,”* reflect his deep dependence on God's presence. This is a reminder that when we feel alone, God's grace is always available. He is not a distant observer but a loving Father who listens intently to His children. Loneliness and affliction may be part of our human experience, but they are not meant to define us. By calling on God, we open our hearts to His reassurance that we are never truly alone, no matter how isolating our circumstances may feel.

The plea in verse 17, *“Relieve the troubles of my heart and free me from my anguish,”* speaks to a God who understands the complexities of human emotion. David's prayer is not just about external challenges; it addresses the inner turmoil that often comes with pain. God desires to bring peace to our hearts, lifting the burdens we carry and giving us the strength to move forward. This freedom from anguish comes when we surrender our struggles to Him and trust in His ability to heal us.

As we reflect on these verses, we are encouraged to bring our pain to God, no matter how overwhelming it may seem. He invites us to be honest about our struggles, just as David was. In return, He promises to meet us with grace, comfort, and the peace that only He can provide. Let Psalm 25:16-17 remind us that even in the hardest seasons, God is near, ready to turn toward us and carry our burdens. May we find strength in His presence and trust in His love to guide us through every storm.

*Pastor Jim*

## Director of Modern Worship & Venues Ministry

Gwendy Joysen

**Hello, PWCC Friends!**

As most of you know, I will be leaving PWCC after this week. My focus will turn back to finishing my certification for Biblical Counseling and recording another album project. In recent years, there has been a growing movement of Christian adults “deconstructing” their faith. Having experienced that firsthand myself, God has helped me recognize both the nuances of that process as well as the challenges of re-entering the Church when one comes back to the Lord. Through counseling, music, writing and speaking, my work going forward will be centered around assisting others as they take those reuniting steps. Praise be to God, that He draws us back to Him!

My time here with you has blessed me and truly helped clarify the next steps in God’s will for my life. Thank you for being a part of my journey!

In Christ Alone,

### Connecting with Joyce; Our beloved Church Administrator

For almost ten years, and longer than any of our current pastoral staff, Joyce Sopilnick has managed the office at Palm West Community Church. She makes everyone look good and have what they need to fulfill their roles. She knows everything about everything and scurries around the church grounds making sure things are organized and ready to go for all the services and activities that take place throughout the week. But some of you may have never met Joyce! She prefers to be out of the spotlight, but she also attends mass at a catholic church with her husband. Joyce's grandma who was very instrumental in her life, was a devout Catholic and in whose footsteps Joyce follows. Let's learn more about this special lady!

If you talk to Joyce on the phone you'll pick up a distinct accent. She was born and raised in Floral Park, New York, in Queens County which is on Long Island. Joyce met Richard while she was at a local ice cream shop with her high school friends. Richard took one look at Joyce and knew she was the one! They have been married 51 years and have two daughters and six grandchildren - five boys and a girl. Her daughters and their families still reside in New York, but Richard and Joyce moved to Arizona in 1999 so that Richard, an only child, could be close to his parents in their later years.

Joyce is well-known at Starbucks where she picks up her morning coffee daily - a vanilla sweet cream cold brew. She admits that potato chips are her weakness, and her house is never void of Ruffles! When she visits her family in New York, she enjoys a meal at a family-owned Italian restaurant, King Umberto's. Beaches and Dream Girls are two of her favorite movies.

When I asked Joyce what the best thing was about working at PWCC, she immediately replied, "the people", and then under her breath said, "it's almost like not working. The people here are so kind and easy to work with." I can speak on behalf of our church family and say that we are the ones who are honored to have Joyce Sopilnick spend her days with us. She told me that she has had a blessed life and is grateful for her family and the ability to be a part of what goes on at Palm West Community Church.

**If you're interested in using your talents to help with clerical tasks, there are openings for office volunteers.** This is usually a half day commitment one day a week or on call to fill in occasionally. Let me know if you have any questions, or stop by or call the office and speak with Joyce.

***1 Peter 4:10 says, "As each has received a gift, use it to serve one another, as good stewards of God's varied grace."***

### Women's Fellowship Retreat

#### **“This Isn’t What I Signed Up For”**

#### **“Trusting God’s Plan”**

**Friday, March 7, 5:00 p.m. to 7:00 p.m.**

**Saturday, March 8, 9:00 a.m. to 1:00 p.m.**

**Hoover Hall**

Sometimes life throws us a curve ball or unexpected detours. We try to second guess what went awry or if we missed a major signal. Struggling to be happy without regrets in where we find ourselves doesn't always work, and we wonder if our vision is foggy in understanding God's plan. The doubts and uncertainty about our purpose in accepting where we are in life is not a new concern but shared by women throughout history.

**Carolyn Larsen** will be featured at the PWCC Women's Retreat as she shares her own struggles as well as those experienced by contemporary Christian women and women in the Bible. As we search to understand, another question is do we really have the strength,

endurance, and interest to keep going. Being useful takes energy and passion. Carolyn's transparent insights are realistic and valuable as we face roadblocks along the way.

**Carolyn Larsen** is a best-selling author, actress and experienced speaker with a God-given passion for ministering to women. She has spoken at conferences and retreats around the United States, Canada and India. Authoring over 50 books for women and children has helped her work through her own doubts with solid outcomes. Trusting God's Plan will reveal His constant, redeeming, powerful love and give you courage, strength and faith to carry on.

You will be encouraged, entertained, and challenged as she unpacks the sentiment of **This Isn't What I Signed Up For....but Trusting God's Plan** fulfills His purpose.

### VILLAGE MISSIONS

*Linda Hall, Liaison*

Palm West Church supports Village Missions which for 75 years has been committed to helping country churches in rural communities survive and thrive across North America. This is accomplished through providing financial assistance for pastors to help struggling or closed rural churches get back on their feet. Currently VM has missionary pastors or couples serving full time in 200 churches across North America. In Arizona, VM supplies financial assistance to missionary pastors in the rural communities of Tonto Basin and Mayer, AZ.

Additionally, VM is looking for qualified missionary pastors to fill positions in 24 additional churches who have applied to VM for help to start or maintain a church in their rural community. Missionaries could be retired pastors or students just finishing their seminary training. Missionaries are given a simple charge: Preach the Word and Love the People. They do this on Sundays and throughout the week through Bible Studies, children's and youth programs, and a variety of outreach events. They fill an urgent need when a crisis hits, when the community is searching for somewhere to turn to for answers. Some are volunteer first responders or chaplains. Others coach sports or drive a school bus or help at the local food bank or resource center. All are committed to declaring the Gospel of Jesus Christ.

Palm West is privileged to support this vital mission through our regular mission giving. To explore more about Village Missions, the missionaries and the churches where they serve, visit [www.villagemissions.org](http://www.villagemissions.org).

### Learn How God Is Working

God is working through PWCC and our fellow brothers and sisters are on the front lines. Did you know that over 3,000 women and 1,000 children are homeless in Maricopa County right now? Did you know that the Phoenix Dream Center is one of the largest and most successful in the nation, designed to help young women find safety, healing and a fresh start? **COME** to our February fellowship dinner **Wednesday, February 19, 2025** and learn how PDC is making a difference in the lives of our women and children who so desperately need our help. **NO**, the PDC does not receive government funding. They rely completely on our financial donations to make the programs free to those in need. Come learn how you have helped give hope and a future to one of Jesus' children.

Let's shower the Phoenix Dream Center at our fellowship dinner by bring an item to the dinner to present to them, along with the quilts that our church has made. Items needed include twin sheet sets, bath towels, shampoo and conditioner, deodorant, and feminine products.

### Bringing Hope To A Child

Put yourself in the place of a foster child here in Arizona. You are turning 18 and given a plastic bag to hold anything you might own and sent out into the world with no place to live, no job, not even a High School diploma, no food and no person to help. That is what foster children face in Arizona. THRIVE AZ is providing Hope for these children, housing, education, Bible studies, life skills classes, food and **Hope**. You can give each child some hope and dignity by providing a suitcase, yes, a **Suitcase**. sounds too simple, doesn't it? But now they have something that shows that people care, giving them the courage to go through the programs at THRIVE AZ and become contributing members of our community. Thank you for caring.

### Help Through Donations

As you are doing your Spring Cleaning, or redoing your home with new furniture, drapes, bedding, clothing, etc. please think about calling **Gary Graf**, 206-369-8659. Gary will pick up your donations, or he will arrange for pickups of furniture. You can put small items in the **Red Bins** in the Narthex of the Sanctuary or Hoover Hall. Gary is taking the donations down to the missions we support through Hope Bags. They are in need of many items you no longer need. Your donations will be a tax write off for you, and provide necessities for the folks who have nothing. Give your love.

### Put March 15 On Your Calendar!

You won't want to miss the fellowship and excitement of seeing 1,550 Hope Bags filled in less than two hours. Yes the 15th of March is the day we fill the Hope Bags with all of the items you have brought in for this mission during the year. Everyone is invited to help, bring a friend! Coffee and doughnuts are provided for energy!

If you have any questions about the Hope Bag Ministry,  
please contact Jimmy or Claudia Smith. 928-899-8230 or 623-692-7911.
