

**DISCIPLESHIP
FOCUS**

Being A Disciple

In order to make disciples we must first be disciples. In Matthew 28:20 Christ says - teaching them to obey what I have commanded you.

Being a disciple requires that we know the teachings of Yeshua and have surrendered our lives to live these teachings as commandments.

The function of the community of disciples (church) is to prepare believers to be disciples then make disciples.

At Blessed Harvest we offer four classes on the Teachings of Yeshua based on each Gospel. These classes expose disciples to the teachings of Yeshua so that we can be equip to share these teachings with others. Registration information is located on the Harvest Bible Institute tab of the mobile app. Classes start now.
