Taking it further to help you THRIVE...

1. Looking back at your notes from this week's teaching, was there anything that particularly caught your attention, challenged, or confused you?
2. What was John's heart / purpose in sharing what he had seen and heard? (See verse 35 and 20:31.) In what ways can we model John, and why should we?
3. Who were Joseph and Nicodemus? In what ways were they different from their colleagues? What did they stand to lose by doing what they did to honor Jesus? In what way(s) recently have you taken a 'risk' to honor Jesus?
4. Read 2 Samuel 24:18-25 together. Why did David say what he did in verse 24? What is the importance of it "costing me" when I sacrifice for the Lord? What are some applications of this today in our lives?
