

1. Rip green and blue tissue paper and glue onto a paper plate. If you don't have tissue paper, just use markers, and if you don't have a paper plate just cut a circle out of a piece of paper and use that.
2. Take some cotton balls and glue them on like clouds as shown in the picture.
3. Glue the verse onto the globe.

**"... In the world you will have tribulation.  
But take heart; I have overcome the world."  
-John 16:33**
