## CREATE IT

### Stoplight Craft:

- With the printed side up on the black traffic light outline, adhere the 3 gold foam circles in a column as shown.
- Stick the green GO circle on the bottom gold circle
- Stick the yellow SLOW circle on the middle gold circle
- Stick the red STOP circle on the top gold circle
- To make the hanger, stick each end of the red cord onto the small black foam circle and adhere it to the back of the traffic light.

## DO IT

### Hide and Seek

- Choose one person to be the seeker
- Everyone else go and hide
- Once the searcher finds someone, the one that was hiding stays with the searcher to help them find the rest of the lost
- The last one found can be the one to starts seeking for the next round

## TALK ABOUT IT

What are some things you think are really great?

- Favorite candy, video game, YouTuber, kind of shoes...

When we find something really great, do we want to tell others? Why?

- We want the people that we like to experience it too

What's something great about knowing Jesus?

Our memory verse this month says that when we belong to Christ that we don't live our old life as it was, but start a new life. How do we see that happen with Zacchaeus?

What's changed or better in your life from knowing Jesus?

When we tell people about Jesus, we want them to believe in Him too. If they do, they become Jesus-followers and join the team – just like our game of hide-and-seek.. Then, they help us tell more people about Jesus.

## PRAY ABOUT IT

Jesus, thank You for coming to save me when I was lost and for showing me the way to know God. We pray that we'll be like Zacchaeus and change the ways we need to change and do what you want us to do. God, help us to tell others how great You are. Amen.
