

What were you like as a baby?

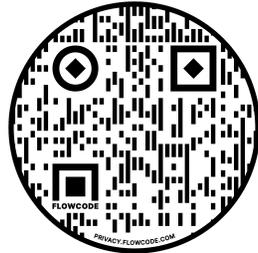

What does this picture remind you of? What feelings does it give you?

How do you let little ones know they are loved and very, very special?

Find book recording here:

<https://youtu.be/tBCvcLcVX3I>

**Just like baby Jesus needed love, a place to sleep, and clothing to wear, babies near us also are in need. The Robbinsdale HUG program will give diapers and wipes and special toys we make to babies right in our community.**

*(Currently, our local diaper bank has seen more than a 50% increase in diaper demand compared to other years. The sizes most needed in order: 6, premie, newborn, any pull-up, 1, 2, 3, 4, 5)*

# CORNERSTONE on mission

room for a little one

## January Service Project Goals:

- Create a special baby toy for babies in our community

- Donate diapers & wipes for babies served by HUG

## Donation Drop-Off Information: By January 31

Cornerstone Church, office hours  
5000 W Broadway, Crystal

*There is always room in our hearts to help a little one! You can create a special glitter bottle and rattle toy for a baby in our community.*

**7. Attach** both toys to wipe pouch with string and snap. If possible, purchase a small bag of wipes for the pouch. Great job!

**Directions:**

**1. Unscrew** the cap from one small plastic bottle

**2. Squirt glue** into bottle until about 20% full

**3. Pour in glitter**

**4. Add hot tap water.**

**5. Seal tightly with cap. Shake well.** Fill with more water if needed.

**6. Drop beans** in another empty bottle. Seal tightly.
