

Week 3

Gr 4 - 6

You can show you care about others by
walking away from a fight.
Read : Genesis 26:1-6, 12-22, 26-31

Follow the path to read the story about Isaac and the wells. Each time you come to a circle, copy the letter inside the circle into the next box in the row of boxes. Then you can read what Isaac did each time somebody started to fight with him.

Start

H The Philistines filled Isaac's wells with dirt.

E So Isaac left that place. He moved to the Valley of Gerar.

Y Then Isaac made a camp in Beersheba, and his servants dug a well.

W There, he cleaned out the wells Abraham had dug so that people could use them again.

E Then Isaac's servants dug another well.

A Isaac moved from there and dug another well. No one argued about this one. So he named that well "Room Enough."

K But the men in Gerar said, "This water is ours." So Isaac named that well "Argue."

D The people argued about this well, too, so Isaac named it "Fight."

So let us do all we can to live in peace.
And let us work hard to buildup one another.
