***Women's Book Study-Jude: Contending for the Faith in Today's Culture***

Bridget Eggold, Facilitator

**Location:** The Loft

While often overlooked, the Book of Jude remains as relevant today as the time it was written. God has commanded His beloved church to do the necessary work of contending for the faith in a world of unbelief, and as we do, He will keep us from falling into the same deception.

In this seven-session study from Jackie Hill Perry, dive into themes of being called, loved, and kept, and learn how to point others to Jesus in grace and truth. We serve others well when we share the whole gospel with them, not just the parts deemed attractive by our culture.
