

About Carrie Cornell

Children's Ministries Director

Carrie joined the Trinity staff team in the summer of 2018. After being an elementary music teacher in the public school system, she jumped at the chance to serve kids and families while sharing the amazing news of Jesus at Trinity!

Her favorite part being a Children's Ministry Director is that it gives her a chance to let her inner kid out!

Carrie loves to play piano, do puzzles, and read/hammock with her husband Chris. Carrie enjoys the summer, spring, and fall. (That is not a typo....it would be JUST fine with her if winter never existed!)

Favorite Bible verse- Psalm 46:10 "Be still and know that I am God".
