## Accompanist

---

Heather Zettelmaier has enjoyed worshipping the Lord in Christian fellowship through Trinity's Worship Arts Ministry since 2011. She loves all things related to church choir, and she feels doubly blessed when she gets to make beautiful, worshipful music with other instrumentalists!

Heather's previous experiences on the bench include serving as organist in the former East German state of Mecklenburg, accompanist of voice students at Miami University in Ohio, and accompanist/music director for many years at First Baptist Church of Plymouth.

Heather teaches English as a Second Language at Washtenaw Community College. She and her husband Jake have two sons, Henry and Louis. They love reading, traveling, making music, swimming, and camping along the beautiful lakes of Michigan!
