

About Michelle Lawson

Communications Coordinator

Michelle has been on staff since 2004 and has held admin roles for our former original staff member, Barbara Davis, as well as Ellie Schupra and Scotty Gullledge. Her role transformed into communications as the needs in this ministry developed and expanded.

Michelle and her husband Brad have attended Trinity since 1997. They live in Plymouth with their son Dale, along with two dogs, two birds, and a flowerhorn named Frank.

In her free time, she enjoys discovering new places close to home, searching for great finds at thrift and antique stores, crocheting, and relaxing with her family.
