## Office Manager

---

Tammie and her husband, Scott, have been attending Trinity since 2017 after moving from Houston, TX, becoming members in 2019. Together they have a blended family with 6 kids (Zach, Amanda, Scotty, Tim, Craig & Laura) and 10 grandkids spread across the country.

Tammie studied Business Management at Cleary College of Business, University of Phoenix and Ashford University. Before coming to Trinity, Tammie worked for JPMorgan for 39 years, retiring in December 2019. However, she became bored in retirement, which brought her to join the Trinity staff in November 2020.

She loves to craft in her spare time - sewing, crochet, sign making, and all things Pinterest! She's also an avid reader and loves to travel the world with Scott.
