## Executive Director

---

Tony Mlynarek (pronounced mel-nare-ick) loves how Jesus' disciples describe our Lord and Savior as "mighty in word in deed." Jesus changes us from the inside out!

Tony has served in ministry his entire career since graduating from the University of Michigan in 2004. His past roles include planting a new campus ministry at Western Michigan University, serving as College, Family, and Missions Pastor at two local churches in Metro Detroit, before joining Trinity Church in 2018.

Tony and his wife Ally live in Ann Arbor with their four energetic kids. He enjoys family kickball, backyard grilling and firepit fun, hanging with our great Trinity families, all things outdoors, and travel with Ally.

Tony's ongoing education includes a Masters of Business Administration from Eastern Michigan University, as well as distance theological courses from seminary faculty nationwide. He enjoys serving on several teams at Trinity, all with the ministry approach from Eugene Peterson that disciples of Jesus are called "to show the Bible is liveable."
