

Embracing our Vision, Mission, and Values...

At Adventure, we believe that our walk with God should never become stagnant. We acknowledge that people are in different places and stages of Christian maturity, but no one ever fully "arrives," at least not while on this earth. There are always ways we can lean in to this adventure that help us become who God created us to be and to fulfill His purpose for our lives.

Here are some ways to lean into this adventure of faith:

- Attend Worship Regularly
- Find a Life Group
- Follow Jesus
- Attend Prayer Night
- Get Baptized
- Become a Covenant Partner
- Join a Serve Team
- Participate in BaseCamp
- Give
- Participate in Scripture Out Loud
- Invest in Discipling Someone
- Read the Bible
- Find a Rhythm of Prayer
- Participate in Outreach

ADVENTURE ◀ OF FAITH ▶

An Introduction to Adventure of Faith
*Defining our Vision, Mission, and Values
because what we believe drives how we live.*

Vision:

We believe God is who He says He is
and He will do what He says He will do.

Mission:

To help people make a life-transforming
connection with Jesus Christ
and equip them to live
the adventure of faith.

As demonstrated by the early church,
we believe Jesus has called us
to be **devoted** to:
Adventure,
Discipleship,
and Authenticity.

Adventure

Adventure is a willingness to *boldly act in faith*. It is taking risks dependent on God. It is *living missionally* and serving in our everyday spaces. It is sharing Jesus' love freely because all people matter to God and therefore matter to us. Adventure is intentionally practicing *radical hospitality* because we believe there is a place in the Kingdom of Heaven for everyone. And Adventure is practicing *selfless generosity* because all we have belongs to God and we are merely a conduit for his blessing to flow through.

- Boldly take risks
- Living missionally
- Radical hospitality
- Selfless generosity

Discipleship

Discipleship is *intentionally living into relationships*, seeking to invite others to learn alongside us as we learn and draw closer to God. It is being *joyfully obedient*, accountable, encouraging and loving in the ways God has called us to be. Discipleship is living into *God's grace for all people*, experiencing our unmerited favor through Christ's forgiveness and blessings, and being *compelled to extend that grace* to others as Christ has extended it to us.

- Seeking God in relationships
- Intentionally loving
- Joyfully obedient
- Extending grace

Authenticity

Authenticity is living our whole lives with *transparent integrity*. It is practicing humility by recognizing our own need for saving, our inability to do so ourselves, and our need for Jesus. In this recognition, we are compelled to treat others as ourselves, as people in process, seeking honesty, gratitude, and deep joy in the incredible blessings and transformation God works in our lives. Authenticity is *staying curious* and amazed at who God is and *practicing wonder* by humbly seeking to know God and His desire for our lives ever increasingly.

- Transparent integrity
- Humility
- Honesty & gratitude
- Staying curious
- Practicing wonder
