

Pray With Us During COVID-19

CROSSPOINTE CHURCH

CROSSPOINTE COMMUNITY,

Let's pray throughout the duration of the COVID-19 outbreak. I firmly believe prayer is one of the most significant undertakings we can be part of during this time. Public health emergencies like the COVID-19 can cause fear and anxiety. Prepare, but don't panic.

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." (Philippians 4:6-7)

This passage reminds us that, in every situation, our prayers ground us in God's peace. We step forward with faith: God is with us as we seek protection and discern how best to love our neighbors.

As Paul says in 2 Timothy, we are not to cower in the face of hardships and emergencies. By faith, we can act with the power, love, and self-discipline that comes from God. **"For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline." (2 Timothy 1:7)**

Please use this prayer guide weekly to help us focus our prayers together as a church.

Blessings,

Pastor Ryan Harkey

Weekly Prayer Guide

CROSSPOINTE CHURCH

DAY

DAILY PRAYER

M

Pray for the sick and infected around the world. Pray that God would bring complete healing and sustain bodies and spirits. Pray for the containment of the spread of infection.

T

Pray for the sick and infected in our own community. Pray for the vulnerable populations in our church, for God to protect our elderly and those suffering from chronic disease.

W

Pray for the young and the strong that God would give them the necessary caution to keep them from unwittingly spreading this disease. Pray that God would also inspire them to find ways to help volunteer in serving those in need.

T

Pray for our local, state, and federal governments. Pray for God to help our elected officials as they plan and allocate the necessary resources for combating this pandemic. Pray that more tests will be made available and that the needed medical equipment would be available to care for the sick.

F

Pray for our scientific community and those who are leading the charge to understand the disease. Pray that God would give them knowledge and wisdom in developing the right responses.

S

Pray that CrossPointe would continue to find effective ways to minister in this new environment and that our people would see the importance of reaching out to others in need. Pray for our finances and for our school. Pray that the Lord would be glorified in all of this and that people would come to know Him during this difficult time.

S

Pray for workers in a variety of industries facing layoffs and financial hardship. Pray that God would keep them from panic and for the Lord to graciously meet needs and provide.
