

CROSSROADS 2019 Report

Crossroads Family,

We share this report with you for several reasons:

First and foremost: We want to give **glory to God** for all that He's done in us and through us. All glory and honor go to Him. This side of heaven, we will never know the impact Crossroads has made this year on lives, families, our community and on our world.

Secondly, to give a very small **snapshot of some of the amazing things** that took place this year in the **life and ministry of Crossroads**.

Thirdly, **thank you** for every prayer that you prayed. Thank you for **investing your time, your care, your love, your spiritual gifts, and your talents**. Thank you for **being faithful** in your **tithes and generous in your offerings**. Thank you for loving the bride of Christ, His church, and for doing all you can to bless and support her. Thank you for loving God passionately and His people compassionately.

Because of you, **souls were saved**, people **grew closer to God** and were **strengthened in their faith**, people were set free, relationships were restored and strengthened, people were healed in their spirit, mind, and body, and ministries and missionaries were unleashed in our community and in our world.

There's no way a document such as this can fully convey all that God has done through Crossroads in 2019.

In this booklet, you will find statistics and numbers. Know that as you read these stats that **every number represents** a person whom **God is crazy about**. **Every number has a name** and **every name has a story**.

I hope and pray that as you read this, you realize that **you are part of something special** that God is doing in a church called Crossroads. Also know that **we're believing God for even greater**
