(Drop off at the covered walkway by the playground)

1. Only the first 4 cars will be allowed to get their child out at a time. These four spots will be designated spaces. A parent will put on a mask and walk the child to the outside table. You will receive a car tag to show at pick up.
2. Parents should social distance while waiting for staff member to do a daily health screening of the children. You will be asked several questions concerning COVID 19.
3. Another staff member will walk the child into the building.
"No Passing". WAIT until the cars in front of you move forward.

If you arrive past your drop off time, you must park, wear a mask and walk your child into the building. Do not park on the drive in front of the church.

PICK UP PROCEDURES :

Please line up as you did for drop off. Only first four people get out of their cars and wait for your child to be brought to the car.

Parents or designated pick up person will need to show the car tag and identification to the staff member.

Parent or designated pick up person will then buckle the child into the safety seat and enjoy their afternoon!

Please let us know if your child has had exposure to any contagious disease or if your child, or anyone in your immediate family, has had exposure to COVID19 or displays symptoms.

Please notify us if your child is taking medications (antibiotics, allergy meds, pain relievers) or has a medical condition. Please be considerate and keep runny noses, diarrhea and upset stomachs at home, unless your doctor gives written certification that your child is not contagious

By observing good health standards you will be protecting your child, other children, and the staff of S.T.A.R.S. Preschool.
