Happy 2019!

I hope everyone had a very Merry Christmas. We are glad to be back!

Don't forget to dress your child warmly each day.

We will go outside everyday if the weather permits. Please mark your child's outerwear with their name.

Field Trips

We will be hosting the Walk in the Woods Science program again on Jan.22-23.

Field trips to Cabarus County Gymnastics will be scheduled this month, too!

Begins February 3 for current students, siblings and church members. Registration will be open to the community on February 18. Registration forms must be completed with the registration fee to add your child to a class.

Reminders

***Monthly tuition is due the first of each month.** Tuition is considered late after the fifth.

Making Pretend Snow

Pour one cup of baking soda in a bowl and add in shaving cream slowly until you get the snow consistency that you like. This snow recipe stays cool to the touch and has a powder like feel when you touch it.
