

## Jonah and the Big Fish Craft

1. Cut out the whale and Jonah templates. Make sure to cut along the dotted lines on the whale to make a flap in which to place Jonah.
2. Color both the fish and Jonah.
3. Glue Jonah to the back of the fish under the flap so that when you lift the flap, you see Jonah praying!

### Template 1:

### Template 2:

Lift the flap to see what's  
going on inside the whale.
