# Pastor's Page

**Submitted by Pastor Mick Whistler**

I'm not sure I've ever been more grateful for a vacation than I am this year. After so many months of dealing with Covid protocols and having our world turned upside down, it was wonderful to get away for some much needed R & R. My family and I, along with one of Emma's friends, spent about a week and a half on the beach in Panama City Beach, FL. We could hear the ocean waves from our balcony. We could feel the gentle ocean breeze. We could smell the salty air of the sea. Apart from the insane traffic anytime we left the condo, it was a very relaxing time, a time I'm still coming to fully appreciate just how much I needed.

Upon returning home and to the real world of everyday life, I started plowing through all of the mail and emails that piled up while I was away. In that pile was the One-On-One interview form for an upcoming meeting with the new District Superintendent. This is something pastors do every Summer. The form doesn't really change much from year to year. But this time, the section on self-care jumped out at me a bit more than usual. Questions about Sabbath keeping, utilization of vacation time, days off, exercise, etc. suddenly seemed more important than ever before. It seemed like more than just boiler plate questions on a review form. These questions were meant for my own good.

My time away to rest, relax and unplug from the world enabled me to hit the reset button in many ways. I came home refreshed and re-energized. You might say the fire has been rekindled inside of me. One of the best parts actually occurred the week I returned to work, refreshed and revitalized. I was doing some research for upcoming sermon series and small group studies, when I came across Francis Chan's "Crazy Love." This is actually an older study that I've had on my shelf for years. But Chan's words in the first session spoke to me in a whole new way, given my newly refreshed state of mind. He was talking about the point of Christianity being to fall in love with God. I mean truly falling head over heels in love with Christ. It was like a re-awakening occurred inside me. Of course I've always known that Christianity is about loving God and being loved by God, but suddenly it had fresh and powerful meaning. It was kind of like being born again...again! And this is why God commands us to rest. Because only when we are truly able to rest in Him can we fully experience His amazing love.

I realize that we can't always pack up and take trips to the beach every time we start feeling tired. But we can guard our own schedules to the point that we set hard boundaries protecting our Sabbath time of rest and our daily quiet time with God. Both are critical to our health, both spiritual and physical. If you'll commit to practicing this kind of rest and relationship, I guarantee you that you'll feel more refreshed and revitalized every day. My prayer for all of you is that you take seriously God's command to rest so that you can experience His incredible love in amazing new ways.

Rest and be blessed.

Pastor Mick

CarePartners also support one another as friends and mentors. A monthly meeting, and an occasional seminar with guest speakers and teaching will help us to keep our skill set sharp.

## Trustees Report

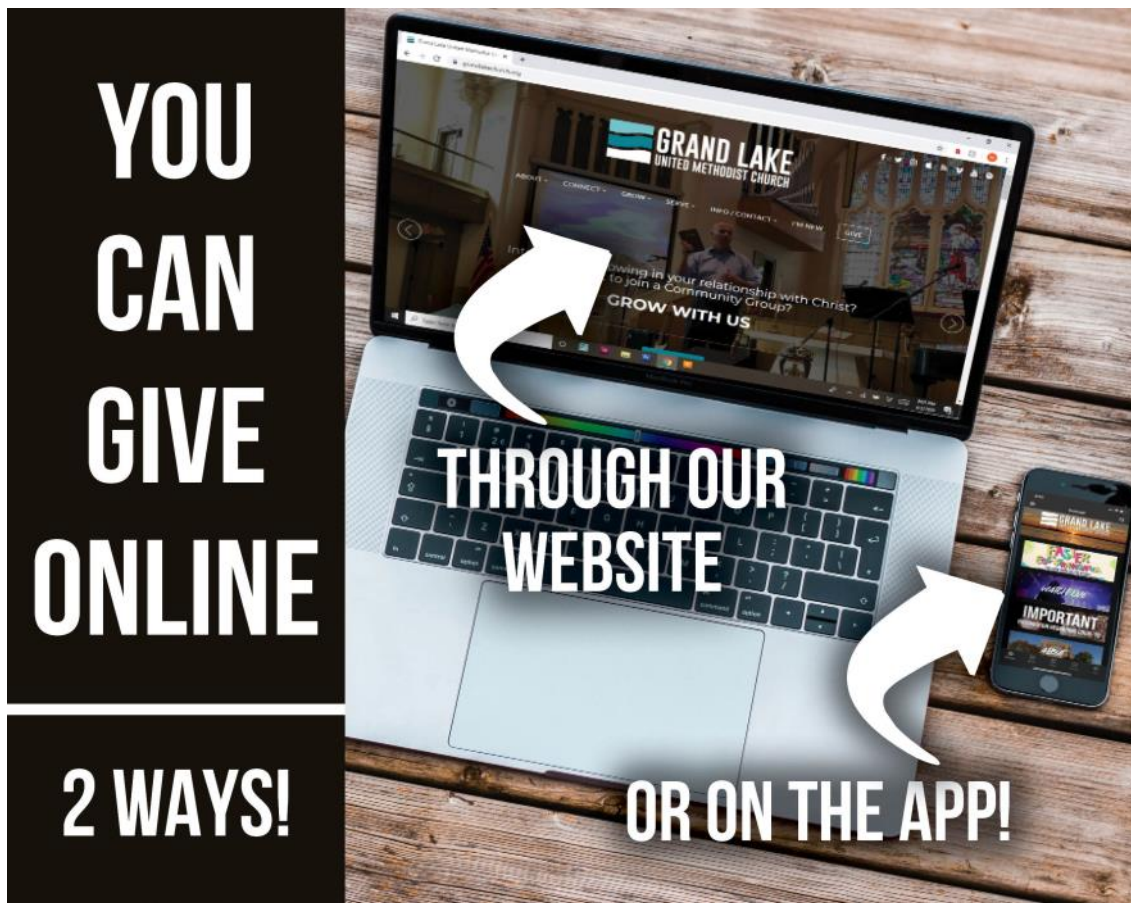

The trustees have been doing some little projects this Summer.

We started with striping the parking lot and that was quite an improvement. You can now see where to park.

We mulched the church property, the Willow Street parsonage and Montezuma church. We had approximately twelve people help, so it did not take long to make the properties look nice and refreshed. Thank you to all those who helped!

We are still working on renovating the Greenhouse and hope to be ready to open in the Fall for regular programming.

We are replacing the carpet in the Lobby on August 9 & 10, so the Lobby will be closed to traffic. If you need anything from the church on those days, please use the side doors on Fulton Street or the north door towards Main Street on the parking lot. If you cannot use the stairs and need something, please call the church office and we will meet you in the lot and take care of your needs.

## RightNow Media

This is a reminder that RightNow Media is available for everyone! We have purchased unlimited access to thousands of Christian videos and are giving free access to everyone in our church.

For any who are interested in helping knit or crochet these items, you are welcome to pick up yarn in the closet of the Lounge on the second floor of St. Paul's and work on the projects at home. Thank you to all those who are faithful to this ministry! If you have any questions, call the church office at 419-586-6621. Also, if you know of anyone who needs encouragement, you are welcome to pick up a prayer square or prayer shawl from the Chapel Prayer Room to share with them.

## OUR Home Family Resource Center

### **Mercer County Back-To-School Supply Drive—Turn in Supplies by August 8!**

Starting the school year with the necessary school supplies supports student learning and builds self-confidence. Unfortunately, it can be a struggle for financially strapped families to set aside enough funds to purchase all the supplies their children need in time for the start of school. In response to this, Our Home Family Resource Center has organized a Back-To-School Supply Project for children in Mercer County. Last year, despite COVID restrictions, this project provided school supplies for over 200 children in Celina, Parkway, Coldwater, Ft. Recovery, St. Henry, and Mercer County Head Start.

This effort brings individuals, churches, and businesses from across the county together to provide new book bags stocked with essential school supplies for low-income students so that they can join their peers in returning to school with excitement and confidence.

Folks who would like to support the 2021 Back-To-School Supply Project are encouraged to donate any of the following: book bags (new), solid color pocket folders, 5-tab dividers, tissues, glue bottles, classic Crayola markers, colored pencils, 24 count crayons, zipper pencil pouches, wide rule filler paper, large pink erasers, red ink pens, 5" and 7" pointed scissors, wide black dry erase markers, highlighters, and ear buds. Monetary donations are also accepted, and will be used to purchase items necessary to meet the needs of applicants.

Parents/guardians of students who would like assistance with school supplies can register online at [www.ourhomefrfc.com/schoolsupplies](http://www.ourhomefrfc.com/schoolsupplies) through Thursday, August 5. If there are questions, or issues submitting applications, call 419-586-4663 and dial 2 for Direct Services.

Supplies will be handed out August 17 & 18.

### THANK YOU

- June 28, 2021  
Dear Grand Lake UMC:  
Sometimes I find myself at a loss for words. Saying THANK YOU just doesn't seem like enough to convey the feelings I have for your gift of \$5,270 and the generous outpouring received from 417 other churches and volunteer groups over the past year.  
It is no small thing to have received these gifts of love — love for the mission and vision of ASP, love for the families we serve, love for the staff who have faithfully continued working during a pandemic. Because of YOU... our doors remain open, and we are able once again to serve families all over Central Appalachia this Summer. Thank you, Thank you, Thank you!  
We are so excited to see many volunteers back this year. The energy Week 1 has brought is contagious. For those of you who couldn't make it back this Summer, we cannot wait to see you in Summer 2022!  
Thank you for making ASP possible —  
Walter B. Crouch  
President/CEO Appalachia Service Project  
Editor's note: This money was from the 2020 ASP budget, which was given to ASP even though there was no work team last year.
- Thank you from Global Ministries/UMCOR for \$1,000 to Good Works, Athens, OH
- June 25, 2021  
Thank you from Ethnos360 for the gift of \$700 supporting Alex and Elizabeth Minium, aviation missionaries to The Philippines:  
"Thank you for your investment. . . for partnering with us to see a thriving church for every people.  
In Him, Larry M. Brown, CEO, Ethnos360 "
- June 2021  
Thanks for your donation to House of Hope. You are helping provide a sober, stable environment for men & women to begin their recovery process. An opportunity to get their lives back on track!  
Thank you for thinking of us!  
Resident — Brandi

### THANK YOU

- Thank you so much for your ongoing support for GROW. We were so excited that you could join our live virtual event and hear from Faa and the children. We trust you were both blessed and informed. Your support has allowed us to rescue two new boys from our waiting list! Thank you for partnering with us!  
For the children,  
Jeana Harley
- Dear Friends at Grand Lake UMC,  
We wanted to thank you for your support for Brian and Beth Schwartz. Through your partnership with them the school has been greatly blessed.  
It has been a tough year for us with tight restrictions and quarantine (over 400 days so far), but the Schwartzs have encouraged us to keep going and to think creatively about ministry. We are constantly amazed at all they get done!  
Through partnering with Brian and Beth, you are also involved in reaching many Filipinos with the gospel. FIA supports many families that do translation work, church planting, training pastors, evangelism, mentoring and many other creative access ministries. Thanks for partnering with us.  
We thank God for all of you,  
Alastair Walker and all the students at FIA (Faith International Academy of Davao City, Philippines)
- May 30, 2021  
RE: Your recent donation of 149 items  
Dear Friend,  
Thank you for your generosity and support of C.A.L.L. Ministries. We are an all volunteer organization which means that approximately 94% of every dollar donated goes to purchase food to feed the hungry of Mercer County. We are supported entirely by charitable contributions and this ministry could not function without the support and the dedication of our volunteers.  
We have been providing our ministry to the financially disadvantaged of Mercer County for over thirty years. Your contributions will help support over seven hundred families during their time of need. We qualify our clients on the basis of income and residency and we provide food on the basis of income and family size.  
May God Bless you and thanks again for your support.  
Keep us in your prayers,  
Homer Burnett, Executive Director

### THANK YOU

- Tiffany Williams is with Time to Revive. Letter from Founder & CEO of TTR  
May 25, 2021  
Dear Grand Lake UMC (Celina, OH),  
I want to personally thank you for your faithful support of Time to Revive as our team continues to spread the Gospel of Jesus both here in the United States and around the world.  
We just wrapped up a week of outreach in Miami County, Indiana after praying and pouring into that community for over a year. I must say, it is refreshing to see the body of Christ come together with a passion for reaching their own town.  
Our partnership with GO21 continues this year where hundreds of people are participating in the Daily Challenge to share the Gospel once per day in the Month of May.  
reviveSCHOOL is now in 44 countries with over 7,000 students. It has been encouraging to me to see the hunger for the word of God in this season.  
Finally, I have been encouraged by the response to our weekly teaching on the end-times called To Number our Days: A Biblical Approach to the End Times. If you haven't had a chance to check it out, you can watch live on Thursdays at 11:30 AM Central time. Previous teachings are also available to watch on our YouTube channel.  
"Now may the God who gives endurance and encouragement allow you to live in harmony with one another, according to the command of Christ Jesus, so that you may glorify the God and Father of our Lord Jesus Christ with a united mind and voice." — Romans 15:5-6  
Thank you for your incredible support,

## Summer Family Challenge

Start date: June 6

Finish date: September 12

This is a “choose your own adventure” type of activity. Each family decides what challenges they will complete and in what order. It’s not about getting through the challenge, but about having fun, making memories and growing in faith TOGETHER. Add up all your points and email, text, call, smoke signal (whatever it takes!) your total score to Pastor Matt no later than September 12.

There will be a prize for the family with the highest score. We will also give a prize to one family that we randomly pick. How many new memories can your family build this Summer?!? You should have received an envelope in the mail with your booklet. If you did not and would like one mailed to you, please call the church office at 419-586-6621 or call or text Matt O at 419-733-3586.
