**Submitted by Pastor Mick Whistler**

I'm pretty excited about our current sermon series, "Reopening Christianity." I chose this series several months ago, long before Governor DeWine announced that all health orders would be removed on June 2. So, I guess it was a little divine inspiration that this series began at almost the exact same time we were able to "reopen" everything in the church. I love it when the Holy Spirit moves like that. I've never doubted that the Spirit was present and moving, but affirmation like this now and then sure does feel nice!

For months now, I've been reading articles, surveys and expert commentaries on what the church will look like going forward, in a post-pandemic world. All of the literature is pretty consistent in predicting the church will be smaller after Covid than it was going into it. The general consensus among the experts seems to be somewhere around 2/3. In other words, the prediction is that attendance will, in general, be roughly 1/3 less than before Covid. The reasons for this expected decrease are many and varied, but the general consensus is clear that a decrease will be our reality going forward.

This can be a rather depressing prediction if we just focus on the short-term numbers, which I think is our natural human response. But what if we look at it from a different perspective? What if we look at it from a historic and Biblical perspective? I mean, this is not the first time something like this has happened. There have been many times that God's people have been reduced to what the Scriptures describe as a "remnant." And every time there was a "remnant" of faithful people, God did incredible and miraculous things to bring them back to vibrant health and strength. Why would we expect anything less this time?

Spending time preparing for this sermon series has really helped me stay focused on Jesus' promise to build his church, which really eliminates the fear of declining numbers. It also has been a powerful reminder that Jesus has given us The Great Commission, to "go" and "make" disciples. For the message on June 13, we will look at the question, "Is the church playing offense or defense?" Our Scripture for that day will be David and Goliath. David says to the Philistine giant, "You come against me with sword and spear and javelin, but I come against you in the name of the Lord Almighty." While the Israelite soldiers were shaking in their armor, the young shepherd boy boldly steps forward to take on the giant. When I read this passage again, it hit me right between the eyes (pun intended). The Israelite army was playing defense, focused exclusively on not getting hurt or dying. But David was playing offense, relying on the strength of the Lord.

Jesus, in The Great Commission, calls us to play offense! Sadly, far too many churches have relegated themselves to playing defense for decades. The Church in America has actually been declining for years because it's become much more focused on defense than offense. Many churches today are only focused on not closing the doors during their lifetime. The things they do (and don't do) for fear of closing make it a self-fulfilling prophecy. I don't think that describes Grand Lake Church. I don't think we're playing defense. But I do think we could do a better job playing offense. I think we could be more intentional about The Great Commission. So in the weeks and months ahead, we will be implementing a strategy to equip the congregation with real tools that will help each of us be much better at living out The Great Commission (stay tuned). We're going to prove those "experts" wrong. We're going to be alive, vibrant and growing. We're going to be that remnant God uses to add to his numbers daily those who are being saved. I don't care what the "experts" say. These are exciting times to be the church!

Serving with you,

Pastor Mick

The Chapel Prayer Room is open whenever the church is open. Come in the morning for a few minutes of silence before work. Come at noon to have your soul refreshed. Come in the afternoon for rejuvenation. Come in the evening to say, "Thank You." Come any time of day your schedule allows or as God is beckoning. It's a place to take account of your life, it's a place to allow healing to begin, it's a place of comfort and peace, and it's a place where the Holy Spirit is available and alive.

# REOPENING CHRISTIANITY

**Join us for the five-week sermon series which started May 30, 2021.**

Before a global pandemic had swept our nation and world, our collective witness of Jesus to others was at best a shadow of what it ought to have been. Sadly, the people we are trying to reach sometimes characterize us as the exact opposite of the One that we are pursuing. How could this be? Jesus is known for grace, good works, unity, and love. His followers have been known for judgment, hypocrisy, division, and hatred. We didn't miss the mark by a little bit. We completely misfired.

In this time where there is still great uncertainty in our world, I am certain the world needs a far greater expression of Jesus Christ.

2020 has been a year filled with debates on reopening strategies. This has been true for businesses, schools, universities, sports programs, and even churches.

Even though 2020 has produced many obstacles, it has also brought an incredible opportunity for us to examine thoroughly what it truly means to be Christian.

What if we could reopen Christianity? How would we reopen? What would we look like? What would we do? What if we could start by acknowledging that we have gone far away from who the God in the Bible has called us to be? What if we could use this time to refocus and come out a stronger representation of who Jesus is?

This study explores five questions every Christian must answer in this amazing opportunity to reopen Christianity!

Are you ready?

## ASP Mission Trip

**July 4 to July 10, 2021**

The Jr. High and Sr. High youth will be attending the same week and location this year. As a combined group we have 31 spots available and so far, have 24 signed up. So, if you are interested in going with us, please sign up soon on the board across from the Lounge. You may also contact Mark Armstrong, [marmstrong@grandlakechurch.org](mailto:marmstrong@grandlakechurch.org); Jerry or Tammy Barger, [bargertj@yahoo.com](mailto:bargertj@yahoo.com); or the church office.

We set up "mailboxes" each year to support and encourage our volunteers, so even if you cannot go, you can support the group with letters of encouragement and prayers. Check the bulletin and weekly newsletter for a list of names as we get closer to the week of service.

### Soups-N-More

Soups-n-More is a new ministry to Grand Lake. Angie Crider and her daughter, Amber, head up this ministry and deliver Saturday morning meals to our elderly and shut-ins in the area. The meal includes an entrée, fruit/salad and dessert. Angie and Amber really enjoy visiting with the folks and would love to see this ministry expand. In the past few months they have had the opportunity to add three new friends to minister to with meals and visits. If you are interested in donating, the ministry can always use fruit cups or pudding cups or if you feel called to help out with this ministry in some way, please contact Angie at 419-733-6247. If you know of someone that would be blessed by having a meal delivered, a smile and a short visit on Saturday morning, please call Angie to have them added to the list.

## Tiffany Williams - ReviveOHIO

Hello Church Family,

As I write this, I am in Peru, Indiana for reviveINDIANA :: Miami County! What a great time it has been. This past Monday, my team and I received a church to pray over that was within walking distance. As we walked throughout the neighborhood, we prayed and invited multiple individuals to join us, and several did! As we approached the church, the gentleman on our team realized and shared that his childhood home was next door. The Lord directed me to pour into and speak into making new memories at the places that have sadder memories for us.

Each morning of this outreach, Melinda, my dear friend, and I do a Facebook engagement, where we get to pray and speak into what we prayed about in Morning Prayer. It was really encouraging to have both Kyle Martin, founder of TTR, and Ryan Schrag, our National Director come on to share their hearts with us.

As a reviveOHIO team, we are excited for what the Lord has planned for us this coming Summer and Fall in new communities. I praise the Lord for the work He has called me to! If you are interested and want to get involved with an outreach, connect with us on the reviveOHIO Facebook page. If you are interested in hearing more about adventures with the Lord, please feel free to reach out to me at [twilliams@timetorevive.com](mailto:twilliams@timetorevive.com) or (804) 337-9185.

### Saving One Lost Sheep (SOLS)

SOLS is a new ministry supported by Grand Lake this year and stands for Saving One Lost Sheep. This ministry was started by Randy and Tricia Christian, who were led by the Holy Spirit to reach out to people who have dropped out of a church setting and bring them back into a body of believers, as well as reaching out to those who have never experienced the love of Jesus or been a part of a body of believers. Their mission is to come alongside people who are lost, weary, broken, feeling helpless or lonely, and to get them plugged into a church body that works best for them. They invite people to gather on neutral ground and begin talking, listening, sharing, trusting, hearing and experiencing the Good News of Jesus. Anyone is welcome to attend the gatherings on Sunday evenings at 5:00pm at the 7:12 Building located at 712 E Wayne Street in Celina. Randy and Tricia would appreciate prayers for the further advancement of this ministry. If you would like to contribute financially to support this ministry, please contact Randy or Tricia at 419-733-9515 or 419-733-9648.

## Summer Bible Reading Challenge

This Summer is going to be an amazing time to grow in our faith! We want to help your child fall in love with God's Word!

I have a question for you. Do you want your kids to not just believe the Bible...but love it? I don't know many parents who would answer "no" to that question. However, many of us haven't thought about how to help our kids truly enjoy the Bible. Our kids won't fall in love with the Bible accidentally, so we need to have a strategy and plan to help them develop a healthy, insatiable hunger for God's Word. This is where the *Eat This Book: Journey Through the New Testament* challenge comes in. *Eat This Book* is a reading plan that is fun and doable. It is a resource that will help your children develop a discipline of reading, processing and applying God's Word. Starting June 6, you are invited to stop by the Kids Check-In Desk to pick up the *Eat This Book* Challenge Guide. You will also be able to find it on the church website/app.

I'll be there to tell you everything you need to know about the challenge and to answer any questions.

*"Within the covers of the Bible are the answers for all the problems men face."*  
— Ronald Reagan

## Summer Family Challenge

Start date: June 6

Finish date: September 12

This is a "choose your own adventure" type of activity. Each family decides what challenges they will complete and in what order. It's not about getting through the challenge, but about having fun, making memories and growing in faith TOGETHER. Add up all your points and email, text, call, smoke signal (whatever it takes!) your total score to Pastor Matt no later than September 12.

There will be a prize for the family with the highest score. We will also give a prize to one family that we randomly pick. How many new memories can your family build this Summer?!?
