

# "STRENGTH FOR THE JOURNEY"

This life is a journey. In life's journey, we often encounter times of difficulty. Whether we experience those times of darkness or times of victory and smooth sailing, it is vital to keep our focus on the Lord. As we journey, we need to make sure we are following the right directions. Come find those directions from God's Road Map, the Bible, as Faith Schneider speaks on the topic "Strength for the Journey."

This weekend will provide fun-filled activities, delicious food, quality mother/daughter time and a spiritual challenge.

On 385 acres, you'll enjoy the beautiful scenery of Trail Ridge, the sunsets, the wooded trails and a panoramic view of the countryside. A number of activities will be offered during the mother/daughter free time including Wagon Rides, Boating, Archery, Snack Shop, Game Room, Crafts, Recipe Exchange, Go Karts, Group Games, Mini Golf, and much more.

And of course, the weekend will feature five delicious meals beginning Friday evening with dinner and concluding Sunday morning with breakfast.

Faith Schneider is the wife of Jim Schneider, Executive Director of VCY America. From her experience as a pastor's daughter,

mother of four, grandmother and "Aunt Faith," she will be sharing 4 different chapel sessions on the topic "Strength for the Journey." This weekend, you'll hear Faith share the testimony of her journey. Other lessons will include having victory in your journey, who/what is your source of strength, dealing with disappointment and having peace in a storm. We will also be looking at the journeys of some other ladies found in God's Word like Naomi, Ruth, Esther and Mrs. Noah. Come this weekend to be encouraged and challenged during our chapel sessions.
