

HSM Serve Team

Why join the HSM Serve Team?

We believe that participation in the church isn't just for adults... You are part of the church body! God has given each and every one of us gifts to use for serving His church and the more you use those gifts, the closer you'll draw to Him. By serving with our church, you'll experience what it means to belong to our church, and there's nothing better than having a place where you belong!

Where am I going to serve? What am I going to do?

We have several different service opportunities for you. Don't worry, no matter which area you choose, you'll have an adult leader to help guide you through.

- **Media Team** (Sunday Mornings, 9:00 or 10:30 Services)
The Media Team runs the sound board, the slideshow, and the cameras for our Sunday services. That's three different positions, so it's a great place to serve with a friend! By helping with the media, you make sure our services look and sound top-notch for everyone attending, whether in-person or online.
- **Greeter** (Sunday Mornings, 9:00 or 10:30 Services)
Greeters help make everyone feel welcome as they walk in our doors for a Sunday morning service. Say hello, wave, give a fist bump, and help everyone who comes through the door know they are in a place where they can belong. When you're done greeting, find a friend to sit with and participate in the service!
- **Aurora Kids - Early Childhood or Elementary** (Sunday Mornings, 10:30 service)
In Aurora Kids, you'll lead a group of 5-6 kids through different activities, including games, worship, and small group discussion time, pointing them towards Jesus throughout the morning.
- **Special Events**
Santa Claus Lane, Easter, Weddings, UP Week... There are lots of special events throughout the year where your service can make a difference! Sometimes you'll help cook or bus tables, sometimes you'll set up signs or Christmas decorations, sometimes you'll vacuum or set up chairs. No matter what you end up doing, it's always fun when you serve with a friend!

How many days am I committing to?

Serving the church isn't something we only do one day a year. Being part of the church body means using our gifts to serve as much as we can! We would love to serve alongside you twice a month and help you to experience the rhythm of service and community so you can know what it means to belong.

How do I get signed up?

Fill out the HSM Serve Team form on our website: auroracommunity.org/students and we'll get you plugged in right away!
