From the Pastor:

It will not be long till our Lenten journey to the cross is eclipsed by the power of the resurrection. Christians are "Easter People," but we are Easter People with a story of strength and perseverance born of experience. Lent and Holy Week are what make the transformational power of the resurrection genuine. The world is full of people who are searching for genuine faith. My hope is that the people of this congregation have a testimony to share that is filled with genuine stories of how the gospel of Jesus Christ has brought hope and vitality to our lives. We can love and be cheerful and care for others because we ourselves have experienced the glorious new life that comes to us in the life, death, and resurrection of Jesus. Throughout the season of Lent, we have offered evidence of God's promise to make something beautiful out of the ashes and torn remnants that accompany our mortal journey. We have told the story of Jesus and his saving power that weaves and spins and stitches our life in this world into life eternal.

I pray that you will find opportunity to share the Good News of God's love with those to whom love is a stranger. Please invite someone to worship with you and experience the community of faith in the Body of Christ at Kernstown United Methodist Church.

After Easter, we will take down the giant purple banner that proclaims to the world that Christ is at work in our church. When the sign is down, you, the congregation members, will be the ones who proclaim the saving life of faith in

Jesus. There is no better witness than that of a life transformed by God's grace and made into something beautiful.

To God be the Glory, Gary

Choir Cantata, Palm Sunday, April 10th during Worship In addition to all of the traditional festivities of Palm Sunday our chancel choir will be presenting a cantata perfect for our fabric theme. It's called *Come, Touch the Robe*. It brings an awareness to the garments of Jesus during Holy Week. It's a moving work and the perfect conclusion to our theme and segue into Holy Week.

Easter Sunday, April 17th during Worship The trumpet will sound the news of Jesus' Resurrection on Easter morning. Not just one trumpet, but five brass players will bring the fanfares of good news to our service that day. We are joining with some Shenandoah Conservatory students to bring excellent music that day and share the celebratory proclamation that **He is Risen!**

A message from your Lay Leader, Cathy Richard

'People were bringing even infants to him that he might touch them; and when the disciples saw it, they sternly ordered them not to do it. But Jesus called for them and said, "Let the little children come to me, and do not stop them; for it is such as these that the kingdom of God belongs. Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it." Luke 18:15-17

When I greeted the congregation on Sunday, March 20, I shared a snippet of the past weekend's visit from our son and grandson. Gregory is a lively three year old with above average intelligence, confidence, and a sense of humor beyond his years. He's a natural born leader.

When Morgan and Gregory visit, it's play time. His Papa is "on vacation" with the exception of discipline. PopPop, Gregory and I made lots of noise while having fun. We played in the yard, walked as he rode his bike and went to Familyland on Friday. It was a gorgeous 60+ degree day. I laughed at the forecast of a Saturday snowstorm. There's nothing to be concerned about. It was too warm. If it snows, it won't stick.

I woke up early Saturday to the sound of "YaYa it's snowing!" I stared outside while drinking a latte. It was snowing so hard I could barely see Valley Avenue beyond the privacy fence. It wasn't long until the boys went outside to play. Our little guy didn't care that the temperature was in the teens. He hoped for a lot of snow and he got it. I bundled up later and we threw snowballs and had a wonderful time. It was amazing to think that 24 hours earlier we were playing kickball.

Sunday morning, I found myself inside a huge cardboard box in our basement. It was a spaceship that transported us to Mars. Gregory instructed me to sit still while he scouted the area. It wasn't safe, so we zoomed to Jupiter where we ate ice cream with our hands. Later, we enjoyed blueberry pancakes at Cracker Barrel.

The fun ended and they drove home to Richmond. I pondered on Gregory's ability to create a spaceship out of a cardboard box. Children have wonderful imaginations. They have faith and a depth of understanding that adults need. Gregory wished for snow, packed his snow pants and boots. He was rewarded with snow. I encourage you to spend time with a child when you can. You might be rewarded with ice cream on Jupiter or a deeper relationship with God the Father, Son and Holy Spirit.

With current high levels of vaccination & high levels of immunity from both vaccination & infections, the risk of medically significant disease, hospitalization, & death from COVID-19 is greatly reduced for most people. At the same time, we know that some people and communities, such as our oldest citizens, people who are immunocompromised, and people with disabilities, are at higher risk for serious illness and face challenging decisions navigating a world with COVID-19.

APRIL is Stress Awareness & Health Care Decision Month.

John 2:6 If we say we are His, we must follow the example of Christ.

Health Education: Stress Awareness: Stress can help - sometimes. According to the Nat'l. Inst. of Mental Health, "stress can motivate people to prepare or perform and might even be life-saving in some situations." People under stress (especially those prone to chronic stress) are more susceptible to a variety of ailments, from headaches and insomnia to high blood pressure and heart disease. Why Stress? A survey by the American Psychological Assoc. found that the five factors most often cited as a source of stress were money, work, family, economic outlook and relationships. Tips for Managing Stress: Visit your doctor.

They're really in the best position to get you started on the path to a stress-free lifestyle. Make an appointment. Meditation. One of the most effective ways to deal with stress is to learn how to silence the mind. Meditation is one of the most popular methods of achieving this quiet. Exercise. Whether you jog, bicycle, or just take walks, be sure to get some fresh air & exercise in your daily routine.

Health Care Decision & Organ Donation - Do you have an Advance Directive & Organ Donation Directive? It is easy to complete. Five Wishes is approved by the VA Gen. Assembly. Hospitality - KUMC family, Will & I wish to thank the Care & Connect Committee for taking over as the hosts for the long awaited coffee hour! This new endeavor was something we were looking forward to so very much, but, suddenly, without warning, we had a minor catastrophe, at the last minute in our home & then some unanticipated medical problems to top it off. Graciously, Maria & her wonderful group, took over for us and made the long awaited coffee hour come to fruition. Many, many thanks to Maria Castro, Polly Look, Brenda Long, Nancy Tisinger & all others of whom I am not aware, for stepping up to the plate for us and providing the long awaited FELLOWSHIP moment. Will & I hope to have another opportunity to host a

coffee hour in the future and will look forward to seeing everyone again at that time. Many thanks also to all who attended to help bring added and special fellowship to our church. Most Sincerely, Ann

Hope Fund—Dear Friends of KUMC, we have had some questions recently about the Hope Fund. Let me tell you about this very important fund. It was started around 1981 according to my records. It is a fund that is so graciously given by the people of the church. This fund was started many years ago to help people of the church & their families. We also help if someone comes to the church and needs gas. We do have a limit of \$25 for that person. It is very much appreciated by those who need just a little extra help. If you want to give to the Hope Fund you can leave your gift on the alter railing the 1st Sunday of the month during communion. Thank you for the love and care we give to each other at KUMC, Blessings, Polly Look, Hope Fund Treasurer.

KNEEMAIL/Prayer Vine - Care & Connect has resurrected the former prayer chain. I suggested dubbing it *Knee-Mail* after a phrase I learned in the Emmaus community, "God always answers *Knee-Mail*". This email/ telephone group is specifically for prayer concerns that arise during the week. On our website, kernstowntumc.org, select **Care** on the Home screen, in the drop-down, click **Prayer Request**. A form appears. *Anyone* in need of prayer (not just members) can submit concerns. The info is sent directly to prayer@kernstowntumc.org. Members can send requests directly to this address. I check it once in the morning & again in the evening. If you want to be a telephone PRAYER call me. I will add you to the call list managed by Maria Castro, Charlie Donohoe, & Polly Look. These ladies ask that if you have access to email please do NOT request telephone calls. If there is a *critical concern*, please call me. Critical=imminent danger, ie. fire, accident, heart attack, etc. I will activate the KneeMail/Prayer Vine immediately. If you have any questions please ask me or Roger Hill, Care & Connect Chair Cathy Richard **540.931.2475**.

MENDING THE FABRIC OF OUR LIVES

Each week in Lent we have been creating different items to show how we take something simple and turn it into something useful and beautiful.

We have many people to thank for making all of this possible. The spinning wheel behind the altar is on loan from the National trust through Bell Grove Plantation. The tapestry, on loan from Rev. Steve Wells, was handmade in Zimbabwe. Micki Smith, from the Brazen Sheep in Middleburg, brought a spinning wheel to show how fleece is turned into thread. She and Norma Johnson knitted the created yarn into a scarf. You were given a pocket prayer cloth knitted/crocheted by Susan Hill, David Landrum, Doris Miller, Sherry Ford, Marilyn Cockey (Sherry's neighbor), and Lorraine Shelton as a reminder that God is always with us and for us to pray. Betty Lou Langager took torn jeans and patched them to be useful again. Rev. Mochel Morris brought her loom and showed how to take yarn and weave it into a beautiful cloth. A a God's eye kit was given out with the bulletins. And lastly, Kathryn Heberle, a seamstress/quilter/embroiderer, showed beautifully created garments made from thread. There were many more behind the scene that were instrumental in providing the support to make everything run smoothly.

Thank you to each and everyone of you.
