

SERVE AT EPIPHANY

Presentation Technician

Ministry: Epiphany Creatives

This position reports directly to the Technical Director

Summary

A Photographer works closely with the Director of Photography to capture photos of people, places, and things through the use of creativity and technical abilities in photographic equipment and photo manipulation software.

Duties and Responsibilities

- Compose a shot, understanding framing, color, and lighting to produce a visually appealing photo
- Retouching photos, adding details, and or other digital additions through editing software
- Determining camera aperture settings
- Controlling natural or artificial lighting conditions
- Determining elements such as filters, shutter angles, focus, depth of field, and camera distance

Skills Needed

- Open to Constructive Feedback
- Time Management
- Problem Solving
- Attention to Detail
- Critical Thinking
- Committed and Dependable

Physical Requirements

While performing these duties, the Photographer is required to frequently communicate with the Director of Photography and Ministry Leaders. Must be able to exchange information accurately. The Photographer may occasionally move various equipment weighing up to 20lbs for performances and event needs.

Qualifications

- Candidate must believe that salvation is a gift from God brought to man by grace and received by personal faith in the Lord Jesus Christ, whose precious blood was shed on Calvary to forgive our sins.
- Must adhere to the Mission, Vision, and Core Values of Epiphany Fellowship Church.
- Prior experience preferred but no experience necessary.
- Commitment: Minimum of 15 hours a month serving at least twice a month
