Rainbow Acres enjoys hosting youth groups and wants to make your visit positive and fulfilling. Our residents (Ranchers) live here full time and have schedules that they are used to following, so please be supportive to them. We do have a few rules that need to be mentioned and followed:

1. We ask that you observe quiet time after 9 p.m. Please do not wander on the Ranch when it is dark, for your own safety. (Snakes, bugs and uneven terrain)
2. Our Ranchers have a dress code. Please do not dress inappropriately while visiting us as it is confusing for the Ranchers.
3. We have an evening security guard that will be patrolling the Ranch after dark, please notify security if you have any safety concerns in the overnight hours. **(928-300-5104)**
4. Ranchers may not go swimming with your group unless a Rainbow staff person is with them.
5. Please do not feed the horses or other barn animals any treats.
6. Please do not go into or explore any construction areas.
7. Please use SIDEWALKS at all times.
8. **Youth groups must be attended by their adult leaders at all times.**
