TALK ABOUT IT

Today we took a look at Jesus's first miracle! While at a wedding in the village of Cana, Jesus' mother prompted Him to help the hosts with their problem: they ran out of wine! Jesus was initially hesitant to step in. This would be his first miracle. He knew if He did this, everything was about to change! Sometimes we feel the most resistance inside when we're about to step into something powerful, just like Jesus! Talk with your kid(s) about something they might feel hesitant or fearful about, but believe God is asking them to step out in! Encourage them. Pray with them. Believe with them that they serve a God who can do ANYTHING!

ACT IT OUT

Mary knew that Jesus was capable of performing miracles. She believed in Him! However, she didn't tell Jesus how to do this miracle. Instead, she trusted that He would know the way. This is still how God works today! He can do the miracle, so we can trust the way He does it. Pray with your family about something that requires a God-miracle! This may be for healing, provision, or a loved one's salvation. Whatever it may be, pray for the miracle and trust God with the way!
