### TALK ABOUT IT

This week we talked about the story of Jesus walking on water. He walked right through the storm His disciples were experiencing. He even brought Peter out on the water to walk with Him. The storm raged until they were safely back in the boat. Jesus made the choice to join them in the storm and see them through it. Talk with your kid(s) about this choice He made then and makes with us every day! Jesus will be with us every step of the way, even when we feel overwhelmed, like a big storm! How cool is it to worship a God who is walking with us through our every storm?!

### ACT IT OUT

Pick a nice day this week and create a “storm” of your own! Grab your water guns, hoses, and bathing suits— get the whole family involved! As water flies everywhere, think about how Jesus chooses to jump in with you! He loves to be in the middle of your fun AND your trouble! He is your anchor when you feel storms raging all around you and on the sunniest of days!
