

## WEEK 2—Different Families

1. Have you ever heard of a “family tree”? It’s not a tree family, like a mom tree, dad tree and kid trees...it’s a map of your family. Get an adult to help and talk about your family tree. You might even want to draw it out! (That sounds like fun!)

**Question: What is something NEW you learned about YOUR family?**

2. Families are all different and God loves them all. See if you can name all the people who live in the houses or apartments next to you in the boxes below...

**Question: What is something SPECIAL about your neighbours?**

3. Look up the Bible passages below that are about some pretty popular people from the Bible and answer the question about each one.

- a. NOAH: Genesis 6:9-10

**Question: How many sons did Noah have? What name do you like best?**

- b. TIMOTHY: 2 Timothy 1:5

**Question: Who were two important family members in Timothy’s life?**

- c. JESUS: Matthew 1:1

**Question: Who were two important family members in Jesus’ life?**
