His Name, Intro—Exodus 34:6-7

With a friend, your family or in your small group, discuss the following questions.

1. What do you think of when you hear, *God*? What characteristics or attributes immediately spring to mind? If you were to describe God to a non Christian, what would you say?
2. Are there ways in which you have created God into your own image? What have been the influences that have shaped your image of God the most? Have you ever pictured God as being one way but then changed your opinion? What caused the change?
3. To truly get a picture of who God is, we need His Spirit to reveal to us what he is really like. God often shows up in unexpected places and situations in our lives. Give some examples of ways that God has shown up unexpectedly in your life and what you learned about God in those circumstances.
4. Think of a friendship you have with someone. What is it that makes you good friends with that person? Can you image having that same type of relationship with God? Why or why not?
5. Have you ever been friends with someone who was two-faced? How did that impact your relationship with them? What does it mean to you that God, Yahweh is constant and unchanging, the same yesterday, today and forever? Where have you seen this attribute of God played out in your relationship with Him?
6. Why does it matter so much that we have an accurate understanding of who God is?

Prayer and Action Item
