# Prayer Focus

Mark and Maria Victoria Sarracino serve with Saturation Church Planting International. They focus on equipping church leaders across India in Biblical and Missional principles, currently via Zoom due to the pandemic and travel restrictions. A new cohort of leaders started in November and will meet for the next 2 years. Please pray for these Indian brothers and sisters as the Christmas season has previously been a prime opportunity to share the gospel with the many Hindus who need Christ but this year there has been strong opposition.
