Missions Giving Update: Urgent Request

The Global Outreach/Missions budget continues to run behind and is currently 35% below budget in this new fiscal year. In the past, when we would experience a drop in giving, we would leverage a reserve fund to cover our missionary commitments. That fund is also becoming depleted and as we look at the rate of giving and the current demand, we may be forced to make some difficult decisions.

We want to remain committed to supporting our Global Partners and avoid the need to impact them financially. To give to our missions ministry, you can use Realm or text COS to 732-56, or give in person at the service. Just designate your check to missions in the memo field. We and our missionaries appreciate your support during this critical time.

COS Women: Walk in the Park

Looking to connect with other women and still get your steps in for the day? It's as easy as a walk in the park! Numerous walks are scheduled for women of all ages to gather and connect in local parks around the area. Invite friends and neighbors. Most trails are stroller friendly! Check out the dates and locations for a park near you. To learn more, go to www.coswayne.org/women.

Discover COS

For those visiting or new to Church of the Saviour, we invite you to join us next month, August 8, in the Reception Room for a meet & greet at 11:45 a.m. Come to learn more about COS and how you can get connected. Lunch is provided. Hope to see you there!

Mask Update

As of June 28, the mask requirement was lifted for all congregants of all ages. Feel free to continue to wear masks if that is most comfortable for you and your family.

Prayer Focus

Jay and Linda Galligher lead ClarionModel, a process they developed to help mission teams learn how members gifting and personal style can best contribute to the team while providing problem prevention and solving with this information. They are piloting a newly created resource “Kingdom Culture Leadership” which addresses organizational culture in mission agencies. They praise God for connecting them with a network of highly accomplished advisors that helped shape content, process and roll out.

Connect to COS

Community Groups

Community Groups are an integral part of our discipleship process, helping us to connect more deeply with God and one another. We encourage everyone to join. If you're new to COS, we have a group just for you that has open access throughout the year. For more information, visit coswayne.org/groups.
