

PROCLAIMED NOVEMBER 2, 2020 AT CHURCH OF HIS PRESENCE

I A DAY OF RESET

We declare November 3, 2020, to be a day of reset for our nation. This day will bring a fair and honest election—no voter fraud nor ballot tampering. This vote will cancel evil agendas and schemes. It will thwart Satan’s plans and set in motion the will and plan of God for America. This election is for the very soul of our country. Great efforts have been made to remove America’s landmarks and besmirch our heritage. Therefore, we boldly proclaim that we will honor the values established by our founding fathers. This nation will reidentify and return to its Judeo-Christian foundation. We proclaim our nation is one nation under God, and so shall it remain.

II NEW FACES, NEW GRACES

We declare Holy Spirit is already choosing and appointing new leaders to take control of various U.S. government departments that have been compromised and diminished. These new leaders will be God-honoring and God-fearing. We proclaim that this cleansing will begin tomorrow and result in a restoration of confidence, credibility, and respect.

III REVERSE THE CURSE

We proclaim that Roe v. Wade will be overturned. We declare the closing of abortion clinics nationally and locally. We proclaim that Holy Spirit will grip our leaders’ hearts to shut the door on this national abomination. We reverse the curse.

IV MARRIAGE BLISS

We declare that marriage between a man and a woman will prevail. All other deviant and perverted lifestyles will be brought to naught. The prevailing ruling of the Supreme Court will be overturned.

V VILIFYING THE VIRUS

We declare a shift from a pandemic mindset—a mindset from fear, loss, mental depression, as well as hopelessness. We speak an end to this China Virus, COVID-19. We declare that what was intended to destroy our nation and people is being plowed under. New seeds are being planted for a bountiful harvest of blessings in 2021.

VI VIPER OUT OF THE FIRE

Just as the apostle Paul was adding sticks to the fire and was struck by a poisonous snake, the attack brought him no harm and confirmed to all that God was with him. We declare that snakes of conspiracies and lies are going into the fire. No harm will come to those that God has anointed and appointed to lead us. God will sustain his servants from every attack, and they will emerge from every fiery trial and temptation with greater results than ever before.

VII MEDIA MADNESS

We declare that a fresh wind of God's presence will blow over the media. Truth in journalism will make a comeback and will once again be heard on all levels. We speak that the spirit of delusion will yield to a revolution of truth.

VIII CITY TRANSFORMATION

We declare evil activists will come to naught. Mob rule, fear-mongering, and the destruction of property will cease. Racial divides will be healed. Reconciliation from injustices and discrimination will be found. God will bring calm to our cities. Our streets will be filled with revival, not riots. Burning buildings and businesses will be replaced with a burning passion for the Lord.

IX THE THIN BLUE LINE

We proclaim a restoration of honor and respect toward our law enforcement authorities. What has been defunded in their departments will be refunded. We proclaim divine supernatural protection for all officers and their families. We ask Holy Spirit to bring an awareness of God's angels that are surrounding them and keeping them safe. This proclamation includes our police and sheriff departments, highway patrol officers, border guards, immigration officers, and the National Guard.

X THE GLORIOUS CHURCH

We declare that the churches of America will turn back to God from their entrenched apostasy. We proclaim they will shift from being seeker-sensitive churches to Spirit-sensitive churches. Revival will break forth, not just in church settings but also in the marketplace, homes, and even our nation's highways and byways. We declare an overwhelming God-consciousness will be experienced coast to coast and border to border.
