Jonathan Hamilton

Hey guys!

I'm Jonathan Hamilton. My story begins eight years ago, with my salvation. Just like you, I am a constant work in progress, relying on Jesus, my Helper, and Deliverer. I have seen miracles that can only come from God Himself. He gave me another chance at life in 2013, with full and complete healing from cancer. Just as He continues to fulfill His purpose in my life, He can for you, too, for "whoever calls on the name of the Lord will be saved".
