

Lake Country Family and Friends,

We are living in unprecedented times, and it cannot be stated enough that we who are in Christ have not been given a spirit of fear, but of power, love and a sound mind. We continue to pray that God will protect our hearts, our minds and our bodies through these uncertain days.

Our current health crisis is very fluid and guidelines are changing at a rapid pace. In a recent email, we stated that our goal was to meet together again at the church on March 22nd. Unfortunately, since then Snohomish County Department of Health has published new guidelines for corporate gatherings. It appears that it will be difficult for us to state with any certainty that we can meet as previously stated. In the last few days, we have also learned that more of our church family have been diagnosed with this virus.

It still remains our goal to make decisions and guide our church in ways that glorify God and protect the spiritual and physical health of all those who call Lake Country home. It is also our desire to maintain a good testimony to our community and our community leaders. With that being said, we are fairly certain that we will not be able to resume gathering at our church at least through the end of March. As we said before, this is a very fluid situation, so things may change again. If they do, we will notify you immediately.

UNTIL WE MEET AGAIN

- We will continue to move through our series on 1 Peter through video. Be looking for an email and social media post with links to this weekend's sermon video; we will continue this process in the coming weekends.
- Pastor Micah has reached out to the LSSD asking for ways that we can be a blessing to our community while kids are out of school. As we get more info, we will be reaching out to you to join us in serving our community.
- Continue to pray for those in our church family, as well as those in our community who have been affected by this virus.
- Continue to worship the Lord in your giving. The church ministry still has financial obligations we need to meet during this time. You can give online at lakecountrybaptist.com, in our app, or by mail. Our mailing address is 8830 8th St SE, Lake Stevens WA 98258
- Be looking for announcement videos detailing upcoming opportunities for ministry.
- **Remember that the church is not a building, but the people of God take the church with them wherever they go.**
- **We must make efforts to maintain our relationships with one another during this time. Make sure you are reaching out and checking up with one another.**

This weekend's sermon is all about Jesus Christ as our Cornerstone. Let's live this truth; let's build our hope on nothing less than Jesus blood and righteousness. **We love you all and can't wait to "meet" again.**
