Things for Thinking...

LET'S GET BUSY!

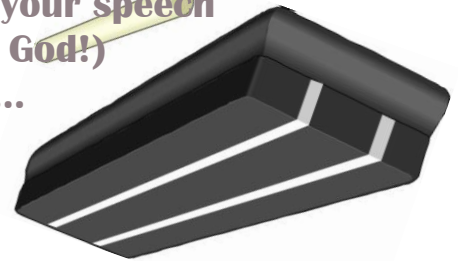

...whatever is

pure

PURE WORD CHOICE:

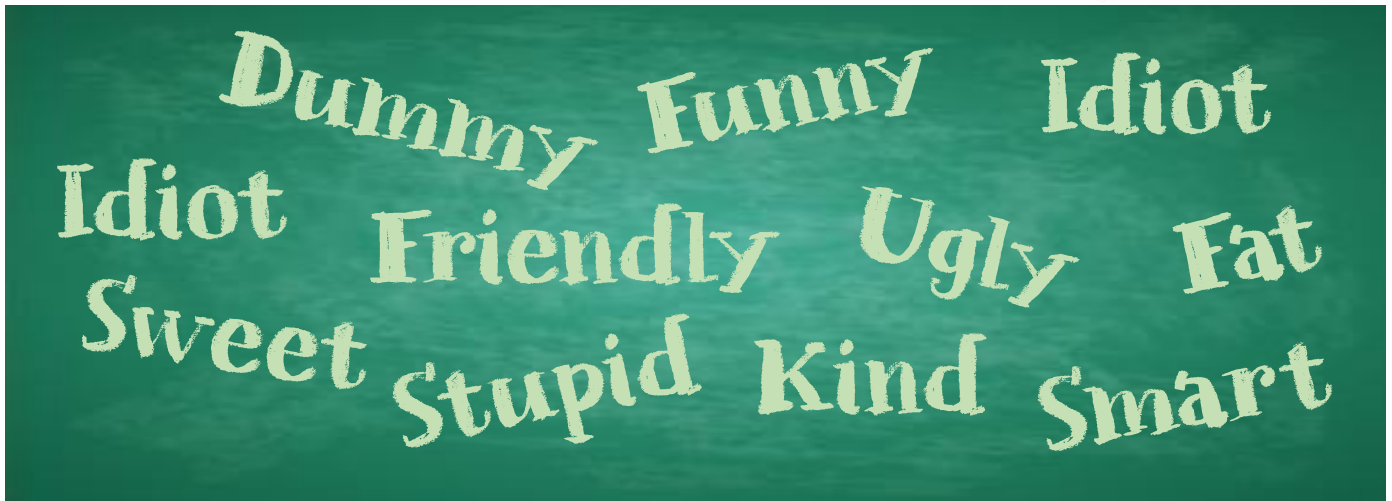

It is not always easy to make the right word choice... BUT it blesses all around you when your speech is pure (both towards them and towards God!)

It's OK to *'annihilate'* any words that hurt others... if they are gone from your mind, they won't likely come out of your mouth, so start **'erasing.'** God will help you!

THE WORDS OF A WISE MAN'S MOUTH ARE FULL OF GRACE, BUT THE LIPS OF A FOOL SHALL SWALLOW HIM UP...

ECCLESIASTES 10:12

With your finger, scribble thru the words to erase. Circle the words to use instead.
