**Q: WHAT DO YOU DO WITH YOUR MIND?**

## TRY THIS...

If you think you can be NOBLE, here are a few things to do that will show it:

- Next time you are waiting in a line, let the person behind you go *ahead* of you.
- When your family has a pizza, tell them you want to eat the smallest piece first.
- Tell your brother or sister 'I will put away all the toys this time.'
- Ask Mom or Dad, 'Can I give you some *quiet* time?' Then give them an hour (look at clock.)
- When home from the store, carry in ALL the grocery bags.
- Pray that God will help you to be generous-  
*giving* more often than you get.
