This Just In...

CHECK OUT THE CHECK-IN:

To introduce our NEW Kids' check-in system to you, here are a few helpful steps to make things smoother for getting your kids into class just ahead...

#1

If you have not done so before, get your Family Profile entered in with us. This will include each of your child's info, and any adults who will check them in/pick them up. Here is link: <https://calvaryco.churchcenter.com/people/forms/178407>

#2

Our check-in **Stations 1-3** can serve any Age 3 to Grade 5 kids in your family. Our **Station 4** attendant can help any new families, or with other special check-in helps, providing a 'Pass Ticket' there - allowing kids to attend their class.*

#3

Infants and Age 2 kids are helped directly at their existing care rooms, with a pager issued there. It is typically best to check in older children first, with your Infant-Age 2 cuties in follow-up.

#4

As you will observe, our growth has been steadily upwards, and it benefits any family to arrive prior to service starting. Pray and be patient as God helps our volunteers meet your needs on a weekly basis!

*NOTE: An issued check-in ticket or Pass Ticket is REQUIRED to enter our classroom hallways. Please stay together as a family when entering the hallways, or simply wait for those returning in the kids welcome area.
